

GC, Pontoon dig out after tornado rips area

By GARY SCHNEIDER
of the Press-Record

The banging of hammers, the raspy buzz of circular saws and the loud roars of chain saws. These were the sounds of people trying to put their lives back together after a tornado ripped through their homes Friday night.

According to a fire department tally, 102 homes were damaged in Granite City, including 13 which were destroyed, 21 area persons required medical treatment and six were admitted to the medical center. Amazingly, and thankfully, there were no deaths.

Disaster aid is being provided by the National Red Cross from the Salvation Army building, 3007 E. 23rd St. Persons in need of food, clothing, housing or other items should register today, a spokesman said.

The city's tornado warning sirens sounded at 10:58 p.m. Friday, moments before the "small tornado," as the National Weather Service has termed it, first hit, spinning cars, snapping utility poles and bringing down power lines at East 23rd Street and Nameoki Road.

Then its deadly tail lifted and did not set down again until it reached the

102 GC homes damaged, including 13 destroyed

southeastern corner of the city where it wreaked destruction on residents of Terminal, Cardinal, National, Saratoga and Delta avenues and Maryville Road. At least four homes were literally ripped apart by the force and pieces of wood, insulation and roofing were thrown hundreds of feet. Other homes

sustained damages which appeared like the bite of some gigantic beast, ripping away a corner of the house, leaving nick-nacks in perfect order on shelves only feet away from the destruction.

The end and part of the roof of one home suddenly disappeared, leaving a baby crib undisturbed inside the suddenly wide-open room.

After the few moments of terror, the tornado continued toward the northeast, through the Steelcrest Subdivision and then touching down in Pontoon Beach where debris was thrown through windows of the Gaslight Walk Apartments, injuring at least one woman.

It then dipped into the Village Green Mobile Home Park on Lake Drive, causing extensive damage to four mobile homes and lesser damage to five others. One trailer was picked up, turned over and dropped onto a neighbor's trailer, injuring Betty Becker, 39, of lot 150, whose home overturned.

Another woman, whose mobile home escaped damage, said she was not frightened until she looked out a window and saw a neighbor's mobile home "suspended in the air."

Jerry Mott Jr., whose mobile home at 3336 Lake Drive, was on the bank of Long Lake, escaped injury when winds lifted his trailer, turned it over and dumped it into the lake. He had to break a window to escape and swim to shore. The tornado then continued its path of destruction, damaging 17 mobile homes.

TORNADO AFTERMATH. Damaged and destroyed homes, mobile homes and vehicles in a line between Granite City and Pontoon Beach Saturday were vivid evidence to the violence of a tornado which swept through the area Friday night. The mobile home

of Betty Becker, lot 150 of Village Green Mobile Home Park, was lifted in the air and overturned on the mobile home of Donald Holman, lot 151. Additional photos of the tornado's damage appear on Page 25 in this issue.

Weber pledges to investigate vote irregularities

Madison County State's Attorney Don Weber has pledged that his office will investigate all allegations of voting irregularities stemming from tomorrow's election and will have assistant state's attorneys assigned to three locations, including Granite City, to receive and investigate such allegations.

An assistant state's attorney will be at Tri-City Park Tabernacle, 3400 Maryville Road, 931-4500, election day for anyone wishing to question election laws or to report any irregularities or law violations.

Other assistants will be in East Alton and Edwardsville.

Weber said, "Our particular concern is that the people of Madison County be afforded a private and secret ballot and that individuals be permitted to vote without undue interference or any supervision from others."

"Thus, the position of the voting machines is of vital importance. We intend to see that this policy, stated in the following letter, is instituted throughout Madison County."

"Of course," Weber added, "electioneering is prohibited within 100 feet of the polling place's door and will be enforced."

Weber said he has sent written instructions to all election judges asking them to call his office immediately if they observe any irregularities.

He is urging that all voting booths be placed so that the voters' backs are to a wall and that no one be allowed behind the voters while they are in the booths.

"Should any punch card voting machine be placed such that it is possible to view the back of the voter while voting, steps should be taken immediately to remedy the situation. If you are unable to remedy the situation, please contact my office immediately and steps will be taken to insure the proper placement of the machines," Weber says in the letter to the election judges.

He said his office also will be investigating incidents where voters request and receive assistance in voting. The only persons eligible to receive assistance from the election judges in actual voting are those who either cannot read the English language or those who have a physical disability which would make it impossible for him to mark the ballot.

Voters go to polls Tuesday, candidates end campaign

Polls throughout the Quad-City area will be open from 6 a.m. to 7 p.m. tomorrow as voters make selections for city and township offices and for seats on the Granite City and Venice park boards.

A list of polling places appears elsewhere in today's Press-Record. Voters may determine their correct poll by checking the township and precinct number on their pink voter registration cards.

Madison County State's Attorney Don Weber is setting up three special stations election day, including one in Granite City, for persons to report suspected election irregularities or law violations. An assistant state's attorney will be available at Tri-City Park Tabernacle, 3400 Maryville Road, and may be reached in person or by calling 931-4500.

There are 110 candidates in the Quad-City area who will be watching the results carefully as they are phoned in from the various polls. Poll judges are being instructed to phone the results to the city or township clerks to be posted.

GRANITE CITY

In Granite City, a lively three-way race for mayor pits incumbent Mayor Paul Schuler and challengers Dan

Partney and Alderman Warren Decatur.

Voters also will pick a city treasurer in Granite City. Incumbent Nick Petrillo is opposed by former fireman William Hebert.

City Clerk Robert W. Stevens is unopposed, but is hoping for a large vote of confidence.

Several Granite City wards have active aldermanic races to be decided tomorrow. In the First Ward, incumbent Charles Douglas faces opposition from two former aldermen, William "Bill" Dallas Sr. and Casmer Skubish and from Leroy J. Mangiaracino.

In Ward Two, incumbent Fred P. Schuman Jr. is opposed by Joseph R. McGinness Sr.

Ward Three features a race between Carl J. Kittel and Nelson D. Dunlap for the seat being vacated by Alderman Roy Poulos.

In the Fourth Ward, incumbent Alderman Glen Sprankle is opposed by Sharon S. Perjak and John Zikovich. The incumbent Fifth Ward alderman, Lloyd Bailey, faces an active campaign by Jake Varadian.

The Sixth Ward is attracting attention, since Alderman Earl Baker is retiring from the council and four

candidates are bidding for his seat. They are Woodrow "Woody" Moad, Stephen C. Saltich, Walter C. Milton and Bill Smithson.

Incumbent Seventh Ward Alderman Paul Ray Bowler faces opposition from Michael J. Werths and Ronald C. Markarian.

Persons interested in the city election results may stop at the city clerk's office in city hall or may get the results

at Schuler's party in the VFW, Partney's party at the Moose Club or Decatur's party in the Lincoln Place Community Center.

GRANITE CITY TOWNSHIP

Granite City Township Supervisor Nelson Hagnauer faces opposition by Tom F. Nesbit and Township Assessor Von Dee Cruise is opposed by his former chief deputy clerk, Shirley J. Voegele. Election night results will be posted

in the township hall, 2060 Delmar Ave., and will be kept at the various election parties.

CITY OF MADISON

Madison Mayor Mike Sasyk is attempting to be re-elected over opposition by Jim Riskovsky, while incumbent City Clerk John Belkoff and City Treasurer Hilbert Hoekstra have "free-rides" for re-election with no opposition.

First Ward Alderman R. Don Reeves, Second Ward Alderman Ida Dent and Fourth Ward Alderman Christ Costello are unopposed, while there is opposition in two other wards.

In Madison's Third Ward, incumbent Thomas S. Gordon faces opposition from Thomas R. George, and in the Fifth Ward, incumbent Booker Walton

Man adopted as child finds family in GC

By VALERIE EVENDEN
of the Press-Record

Saturday, March 28, was a very important day in the life of Arthur John Lindhorst of Cahokia.

On that day, Lindhorst found out for the first time he had been adopted 31 years ago as a young child by his now deceased parents.

To suddenly acquire this knowledge alone was a traumatic experience and made the day a landmark in his life.

But a second factor emerged that day which overshadowed to a great degree the distressing revelation and caused

March 28, 1981, to become even more memorable for Arthur John Lindhorst. In the space of a few hours after discovering he was adopted, the Cahokia man found he had a family of 10 brothers and sisters, plus numerous nephews and nieces, and a real mother, most of whom live in Granite City.

"I'm just happy to be back," he commented Tuesday about his new family status.

Lindhorst's adoption as a 3-year-old child was revealed when he received through the mail several documents

McCambridge curve claims another life

The sharp curve between Edwardsville Road and McCambridge Avenue claimed another life as Terry W. Fields, 25, of 3000 Denver St., died at 11:48 a.m. Sunday in Firmin Desloge Hospital, St. Louis, of injuries suffered in an accident at 6:05 a.m. Thursday.

The St. Louis medical examiner's office notified Madison police later Sunday that Mr. Fields had apparently died of severe head injuries.

Police said evidence at the scene indicated that Mr. Fields' auto was westbound on Edwardsville Road, when it failed to negotiate the curve, struck a curb and overturned twice, coming to rest approximately 80 feet from where it hit the curb. Both Mr. Fields and a passenger, Stanley Harris,

24, St. Louis, were thrown out of the vehicle and were injured.

They were taken by a Granite City ambulance to St. Elizabeth Medical Center and Mr. Fields was transferred to Firmin Desloge Hospital, where he died.

In a separate accident, two young men were injured at the curve at 1:15 p.m. Saturday and both have been admitted to St. Elizabeth Medical Center.

Authorities said the auto of Sterling Moody, 24, St. Ann, Mo., was northbound on McCambridge Avenue and crossed into a "do not enter" zone where it collided with the southbound

(Continued on Page 25)

EVIDENCE OF HIGH WINDS during Friday night's tornado include this auto which was overturned, and a pair of hedge trimmers imbedded six inches into the top of the utility pole near the top of the photo.

Marijuana, pills seized near school; one arrested

A 16-year-old boy who resides in the 2200 block of Delmar Avenue was arrested behind Granite City High School South at 11:15 a.m. Friday and faces juvenile court charges in connection with marijuana and pills found in his possession.

The arrest followed surveillance by undercover agents of the Metropolitan Enforcement Group of Southwestern Illinois (MEGSI) of activities around the school. Based on information gathered by MEGSI agents, plainclothes Granite City officers

approached a group of four youths behind the school and alleged the 16-year-old threw a cigarette pack, a plastic bag and another container on the ground and tried to kick leaves on top of them.

Officers found the cigarette pack contained 31 marijuana cigarettes, the bag contained six black capsules and a green plastic container contained 17 tablets of LSD. The youth admitted owning the substances and said he had purchased the LSD at a St. Louis rock concert.

A short time before the arrest, police talked to another group of students and found a cigarette pack containing 21 marijuana cigarettes on the bumper of a nearby car. Unable to determine ownership, officers made no arrests, but confiscated the marijuana.

Ethanol plant due at prison

By JOAN MURARO
SPRINGFIELD

A 500,000-gallon ethanol plant, expected to save the state \$2.5 million in gasoline costs yearly, will soon be built at the state prison in Vienna.

The plant is expected to begin production by Nov. 1. Howard Skolnik, head of correctional industries, said the ethanol produced there will be sold to the state for use in producing 5 million gallons of gasoline for state vehicles, at an expected savings to the state of 50 cents a gallon.

Some state vehicles may also be converted to use pure ethanol, Skolnik said. Bids will be taken for the actual construction of the plant, which will be built by an outside agency, Skolnik said, and the operation will be managed in cooperation with Southern Illinois Community College at Harrisburg, which has recently developed a curriculum leading to a degree in management of ethanol plants.

The plant will run seven days a week, round-the-clock, 52 weeks a year, Skolnik said, and will provide

jobs for 40 inmates, who will work under five civilian employees.

One bushel of corn produces between two and 2.5 gallons of ethanol, he said, so about 200,000 bushels of corn will be needed in the operation. The department produces corn among other field crops in its agriculture programs, but does not raise that amount, so the remainder will be purchased elsewhere. The department's farms will produce enough for about 100 days of operation, Skolnik said, and the department is working with the Department of Conservation which leases large tracts to area farmers in return for a share of the crop. Plans call for the Corrections Department to get this corn from the Conservation Department, he said, and to turn give the Department of Conservation a "cut rate" on ethanol for its vehicles.

POSTPONE MEETING
The regular meeting of the Granite City Democratic Club, scheduled for Wednesday evening at the Knights of Columbus Hall, has been postponed until May 13, Paul Fisk, club president, announced this morning.

Births

Births recorded at St. Elizabeth Medical Center include:

Obituary

Terry Fields

Terry W. Fields, 25, of 3040 Denver St., died at Firmin Desloge Hospital, St. Louis, at 11:48 a.m. Sunday, April 5, 1981, of injuries suffered in a one-car accident, occurring at 6:05 a.m. Thursday at McCambridge Avenue and Edwardsville Road, Madison.

A related story appears on Page One: Mr. Fields was born in Granite City and was a lifelong resident.

He had served in the U.S. Marine Corps from 1976 until 1980. Mr. Fields was employed six years as a trucker at the Loose Leaf Metals Company, St. Louis.

He was of the Protestant faith. Among the survivors are his parents, Loyola and Mary M. Fields of Granite City; and a brother, U.S. Army Major Randall L. Fields of Fort Knox, Ky. Friends may call at Mercer Mortuary, 1416 Niedringhaus Ave., at 1 p.m. Tuesday, April 7.

His remains will be taken to the Larry Cottrell Funeral Home in Poplar Bluff, Mo., where visitation will take place from 11 a.m. until time of services at 2 p.m. Wednesday.

Burial will be in Ash Hill Cemetery at Poplar Bluff.

James Hinson

James C. Hinson, 63, of 2616 Adams St., died at St. Elizabeth Medical Center. He had been ill since August and in the medical center three days.

Mr. Hinson was born in Bumpas Mills, Tenn., but moved here as a small child and resided here most of his life. He was a foreman at Nesco Steel Barbed in Granite City and worked there 20 years. He was a World War II Army veteran.

He was a member of Trinity United Methodist Church and Masonic Lodge 877. Surviving are his widow, Mrs. Henrietta Hinson; a daughter, Mrs. Richard (Karen) Hirsch of LaPorte, Ind.; a sister, Mrs. Sadie Rasche of Mississippi City, Miss.; his mother, Mrs. Luch Hinson of Granite City; and two grandchildren.

Funeral services were held at 11 a.m. today at Trinity United Methodist Church with the Rev. Paul Bryant officiating. Burial was in Sunset Hill Cemetery, Edwardsville Township. Visitation was Sunday at the Randall A. Irwin Chapel for Funerals, 2801 Madison Ave.

Myrtle Honerkamp

Mrs. Myrtle E. (Owens) Honerkamp, 64, of 1630 E. 23rd St., died at 1:14 a.m. Friday, April 3, 1981, at St. Elizabeth Medical Center.

NEW GLEAMING STOCK WORK
ARRIVING CONSTANTLY
OPEN SUNDAY

COGNAC
Monument Works
1711 State St. 876-0426

She had been in ill health the past five years and was a hospital patient for three weeks.

Mrs. Honerkamp had resided in Granite City almost her entire life. She was born in Vienna, Mo.

Prior to retiring in 1972, she was employed for 25 years as restaurant manager at the Granite City Elk's Lodge.

Mrs. Honerkamp was of the Protestant faith. Among the survivors are two daughters, Mrs. Keith (Rose) Pryor of Granite City and Mrs. Kenneth (Barbara) Dorich of St. Peters, Mo.; her mother, Mrs. Alice Owens of Granite City; one brother, Charles B. Owens of Meadville, Pa.; 10 grandchildren and two great-grandchildren.

Services were held at 10 a.m. Saturday, April 4, at Mercer Mortuary Chapel, 1416 Niedringhaus Ave., with the Rev. Clifton E. Galifer officiating. Burial was in St. John Cemetery, 2901 Nameki Road.

Lydia Logan

Mrs. Lydia L. (Goleonor) Logan, 88, of the Colonial Haven Nursing Home, died there at 12:30 p.m. Saturday, April 4, 1981.

She had resided at the nursing facility the past seven years and had been in poor health for three years.

Mrs. Logan had lived in Granite City since 1910. She was a native of Dixon, Mo.

She was a member of Dewayne Avenue United Methodist Church and the church's True Circle Class. Her husband, Isaac Logan, died in 1962. She also was preceded in death by two sons, William C. and Maurice U. Logan, both of whom died in 1973.

Among the survivors are a daughter, Mrs. Betty May of Granite City; a son, John W. Logan of Mesa, Ariz.; one brother, James Goleonor of Granite City; two sisters, Mrs. Mary Walker and Miss Hettie Goleonor, both of Springfield, Mo.; seven grandchildren and eight great-grandchildren.

Graveside services will be held at 1:30 p.m. today, April 6, at Sunset Hill Cemetery, Edwardsville Township, with the Rev. Ray Kelly officiating. Friends called earlier at the Randall A. Irwin Chapel for Funerals, 2801 Madison Ave. The family requests memorials to Dewayne Avenue United Methodist Church.

Mamie Pelikan

Mrs. Mamie (Kuhlman) Pelikan, 76, of Rural Route Two, Box 728, Granite City, was pronounced without signs of life at her home at 4 p.m. Thursday, April 2, 1981, by Madison County Deputy Coroner Edward Besserman.

Mrs. Pelikan had resided here for the past 18 years.

She was a native of Ste. Genevieve, Mo., and had lived in St. Louis before moving to Granite City.

Her husband, Frank J. Pelikan, died in 1962. Among the survivors are two daughters, Mrs. Theodore (Betsy) McNeill and Mrs. Robert (Carolyn) Franko, both of Granite City; a son, Frank J. Pelikan of Granite City; one sister, Mrs. Carolyn (Hammur) Cedar Lake, Ind.; seven grandchildren and five great-grandchildren.

Funeral services were held at 10 a.m. today, April 6, at Bob Thomas Memorial Mortuary, 2205 Pontoon Road, with the Rev. Harold Maynard officiating.

Burial was in the National Cemetery at Jefferson Barracks, Mo.

Lenna Tate

Mrs. Lenna J. Tate (Jent), 82, of Colonial Haven Nursing Home, a former resident of Aubrey Avenue, died at 2:30 p.m. Friday, April 3, 1981, at the nursing home.

Mrs. Tate was born in West Frankfort, Ill., and moved here 30 years ago. She was a member of Niedringhaus United Methodist Church.

Surviving are her husband, James Tate; two daughters, Mrs. Wayne (Fay) Carlisle of Granite City and Mrs. Bonnie Wilkins of St. Louis County; a son, James Willmore of Cherry Hill, N.J.; three brothers, Melvin Jent of Bradenton, Fla., Ruben Jent of Marion, Ill., and Rufus Jent of West Frankfort; two sisters, Mrs. Marlin (Evo) Miser of Ellenton, Fla., and Mrs. Joseph (Sarah) Eisenbauer of Duquoin, Ill.; four grandchildren and three great-grandchildren.

Visitation was at Davis Funeral Home, 21st Street and Cleveland Boulevard, Saturday evening with visitation in West Frankfort Sunday. Funeral services were to be held at 1 p.m. today, April 6, at the Parker-Reedy Funeral Home in West Frankfort, followed by burial there.

Lena Taylor

Mrs. Lena (Dorich) Taylor, 82, of 2725 Marshall Ave., died at 1:14 a.m. Friday, April 3, 1981, at St. Elizabeth Medical Center.

She had been ill three months and was hospitalized for the past two months.

Mrs. Taylor had lived in Granite City for 57 years. She was a native of Stewart County, Tenn.

She was employed at the Granite City Army Installation for 15 years and retired from there in 1968 as a processor.

Mrs. Taylor was of the Protestant faith.

Her husband, James C. Taylor, died in 1949. Among the survivors are a son, Leighton C. Taylor of Granite City; a daughter, Mrs. Hilda Boone of Stewart County, Tenn.; three brothers, Harry Dorich of Granite City and Lee Batson Dorich and Wilson Dorich, both of Stewart County; two sisters, Mrs. Lottie Lynn of Madison and Mrs. Frances O'Shea of Stewart County; one grandchild and one great-grandchild.

Services were held at 1 p.m. Saturday, April 4, at Mercer Mortuary Chapel, 1416 Niedringhaus Ave. Burial was in St. John Cemetery, 2901 Nameki Road.

Robert Walker

Robert Walker, 93, of 2224 Delmar Ave., died at 9:35 p.m. Sunday, April 5, 1981, at St. Elizabeth Medical Center. He had been ill 10 years and had resided at the Colonial Haven Nursing Home for the past two years.

Mr. Walker was born in Dewsbury, England. He had lived in Granite City since 1937.

He had retired in 1967 from the Washington Theater, where he was employed 30 years as custodian.

Among the survivors are his wife, Mrs. Rosina Walker; one son, Robert Walker of Berkeley, Mo.; a sister, Mrs. John (Alice) Hargert of Houston, Tex.; three grandchildren and one great-grandchild.

Funeral arrangements are pending at Mercer Mortuary, 1416 Niedringhaus Ave. Friends may call 876-4321 for details.

Robin Williams

Mrs. Robin L. Williams, 19, of 9 Blue Spruce Court, died at 3:15 a.m. Sunday, April 5, 1981, when the car in which she was riding was hit by a motorist who allegedly fled the scene.

The accident occurred in the west-bound lanes of Interstate 270, about a mile east of Illinois 157.

The auto in which Miss Williams was a passenger, operated by Aaron S. Weiler, 25, of Glen Carbon, was struck from the rear then pushed off the road, police said.

The vehicle traveled 438 feet down an embankment and overturned, throwing out Weiler. Miss Williams was a passenger, Patricia A. Keakeslager, 19, of Maryville.

Miss Williams was pronounced dead at the scene by Madison County Coroner Dick Mizel.

Miss Keakeslager was taken to Oliver C. Anderson Hospital in Maryville, where she was reported in serious condition Sunday.

Weiler was taken to the same hospital. His condition was described as stable.

Police said the Weiler auto was struck by a vehicle allegedly driven by Thomas G. Robbins, 22, of Florissant, Mo.

Robbins was ticketed for driving while intoxicated and leaving the scene of a fatal accident when he later turned himself over to authorities, police said.

After allegedly striking the Weiler car, Robbins reportedly drove on until he experienced engine trouble about a mile from the accident scene.

He then hitchhiked to Missouri, where he borrowed a car and returned to the scene to turn himself in to police.

Miss Williams was born in Granite City and was a lifelong resident.

She graduated in 1979 from Granite City High School North, where she was active in the Girl's Athletic Association (GAA) and received a manager's letter.

Miss Williams was employed at the Commercial Union Insurance Company in St. Louis.

She was of the Baptist faith. Among the survivors are her parents, Argil and Judy Williams of the Blue Spruce address; two sisters, Misses Bonnie Kay and Rhonda Kay Williams, both at home; her paternal grandparents, Mr. and Mrs. Curtis (Rosa) Williams of Granite City; and her maternal grandmother, Mrs. Blanche Bertrand of Madison.

Funeral services will be held at 1 p.m. Tuesday, April 7, at Bob Thomas Memorial Mortuary, 2205 Pontoon Road, with the Rev. Clifford Moeller officiating. Friends may call after 2 p.m. Monday.

Burial will be in Sunset Hill Cemetery, Edwardsville Township.

Spring is here

Tree plantings at schools

TREES ARE PLANTED at two local schools last week by school children and members of two garden clubs. Above—The Gardenaires Garden Club, with the help of students at Johnson School in Granite City, plant a pin oak tree in observance of the 75th anniversary of forest conservation in the United States. Club members helping are E. E. Eads,

Pauline Schank and Mrs. Marie Eads, president. Below—Members of the seventh grade class at the Madison Middle School plant one of four pin oaks with the help of the Garden Study Club, Norma Crenshaw, president, on the side of the school building. The students raised the money to purchase three of the trees during the previous school year. The garden club provided the fourth.

Anchorage seniors mark birthdays

Fifty-two members and guests attended the April birthday and business meeting of the Anchorage Senior Citizen's Club last week.

Mrs. Augusta Lampe, president, offered the opening prayer and the Lord's Prayer and Pledge of Allegiance were repeated in unison.

Special prayers were offered for President Reagan and the men who were wounded with him in last week's assassination attempt.

Six members who are celebrating birthdays this month were special guests of honor and provided cake for all present.

The honorees include Myrtle McDowell, Lena Harmsen, Golda Grive, Rachel Smith, Hazel Ronk and Abner Branding.

In the business session, reports were presented by Margaret Rutter, secretary, and Mary Ahlvers, Sunshine chairman. Vivian Mitchell, treasurer, read a financial statement.

George McWorter, a former resident of the Anchorage Homes, was to celebrate his 100th birthday on Saturday, April 4.

Bus service will be available for Anchorage residents who wish to attend a performance of the Troy Opy, scheduled at 6:30 p.m. May 4, at the Granite City Township Center.

Cost of attending the show is \$1 per person, Mrs. Lampe said. Those wishing to ride the bus are asked to make

arrangements through the township office, she added. Games occupied the group for the remainder of the afternoon.

Winning prizes were Edna Straub, Abner Branding, Catherine Colligan, Lena Harmsen, Reatha Bowler, Marie Tessari, Joanna Gerald, Florence Brader, Helen Dekuntz and Elizabeth Grasso.

Silver Bells honor 4

The Silver Bells Senior Citizens of Madison and Venice celebrated the birthdays of four members at its meeting last week in the Venice Recreation Center. Honored were Mary Latham, William Spencer, Jessie Reeves and Cicero Isaac, who was accompanied to the event by members of his family.

A potluck dinner was served with the meal including two hams donated by William Boelling, a candidate for Venice Township supervisor.

The 70 members and guests attending were welcomed by Mrs. Elizabeth Payne.

A musical interlude featured a vocal solo by Mrs.

ROOSEVELT ASKS Frustrated by judicial rulings declaring New Deal legislation unconstitutional, President Roosevelt asked Congress on Feb. 5, 1938, to add six justices to the Supreme Court.

Reeves and a duet by Rosalie Jackson and Lucille Wiley.

Group singing was led by the Rev. Doris Johnson.

Informative talks were given by Mrs. Gertrude Young and the Rev. Johnson. Games were played to conclude the meeting.

Students jump rope to aid Heart Association

PEOPLE

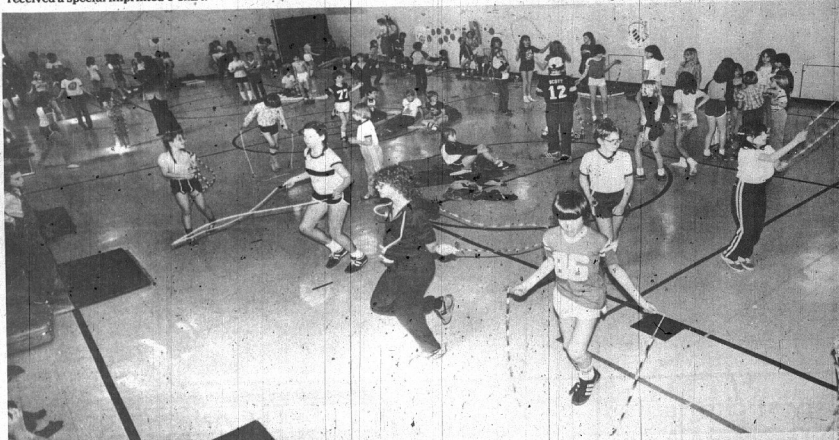

Press-Record Photos by Pat Foley

Clockwise from top left: Several buddy systems were used during the three-hour jump rope session. These Lake School fifth graders used two rope turners and various numbers of jumpers. Solo jumper is Jennifer Schmitt with Becky Asbeck, left, and Jennifer Cruse, right, doing the turning. Amy Verdu and Ted Stevenson, sixth graders at Lake School, perform a duo jump. The Parkview School gymnasium was filled with jumpers divided into teams. At lower left is a look down upon Mike Ziolkowski, a Parkview sixth grader, doing a solo jump.

Students in the Granite City school district are now collecting pledges they received prior to the Jump Rope For Heart (JRHF) program to aid the Heart Association research, education and community programs. Approximately 873 students ranging from grade three through high school participated in the jump rope program. Pledges of up to five cents per minute of jumping time were solicited. Students at both high schools and Johnson, Lake, Maryville, Parkview (and at a later date, Marshall) elementary schools were involved in the three-hour program. The program is sponsored by the Illinois Association for Health, Physical Education and Recreation and is endorsed by the governor's Council on Health and Fitness. Each student turning in contributions will receive a special imprinted T-shirt.

Drama here on Palm Sunday

An Easter drama, "The Centurion," by Norman E. Curtis, will be presented by a cast of 30 people of Suburban Baptist Church, Maryville Road and St. Clair Ave., April 12, Palm Sunday Morning, at 10:40.

"We invite the public to make this worship experience a part of their preparation for Easter," Harold D. Garrett, pastor, said.

Spring carnival at St. Mary's

St. Mary-St. Mark Parent, Teachers and Associate Members group will host its fourth annual Spring Carnival on Friday, April 24.

The event will take place from 5 p.m. to 9 p.m. at Englebert Hall, 10th Street and Washington Avenue, Madison.

Carnival games, movies, a cake walk, booths and a Cardinal Football Highlights film will be featured, according to Georgann Krakowiecki, project chairman.

ANDERSON RUNS

Rep. John Anderson announced on April 24, 1980, that he would run for the presidency as an independent because the nation needed a choice in the November election.

SIUE to honor 14 Quad-Cityans

Names of the Southern Illinois University at Edwardsville employees who will be honored Wednesday, April 15, at the university's 11th annual awards and retirement banquet have been announced.

To be recognized are 36 retirees, 207 employees who have completed 10 to 25 years of service with the university, and 110 civil service and professional staff employees who have been selected to receive outstanding performance awards. The awards will be presented by President Earl Lazerson. Five-year service awards will be distributed to 25 members of the faculty and professional staff during the week of the banquet.

Ken Ramers, SIUE personnel officer and chairman of the banquet committee, will be master of ceremonies for the banquet. Musical entertainment will be presented by pianist Russ Sparger, a student from Belleville, and the University String Ensemble, comprised of faculty and students from the department music.

The employees who will be honored include: GRANITE CITY: 15 years—Albert L. Crumley, George H. Goodwin, Kit C. Grindstaff, Dallas H. Jones, Dr. Dean E. Rochester and Kenneth H. York. 10 years—Waldo C. Dalton and Dr. Barbara J. DeLong. Outstanding performance awards, civil service—Sarah E. Bradbury, Judith R. Elledge and Vera V. Whyers. MADISON: 15 years—John J. Kula. Outstanding performance award, civil service—Thelma J. Thompson. VENICE: 10 years—James J. Reidelberger.

HITS PARKED CAR
Delmar Callahan, 69, of 1911 Grand Ave., was injured when his car struck the parked car of Joseph Morrison, Edwardsville, in front of 2030 Benton Ave., at 7:15 p.m. Wednesday. He was taken by a Granite City ambulance to St. Elizabeth Medical Center for treatment.

TAX TEST
Question No. 9

Income averaging can save you money. But only if you make more than \$30,000 a year.

☐ True ☐ False

What you don't know about income averaging could cost you money. H&R Block knows that no matter how much you make, if your income went up substantially last year you may be able to secure coverage. We'll take advantage of this if it's to your benefit. The answer is FALSE, since there is no minimum amount of income required to qualify.

Lake PTA to hear about Reye's illness

Mrs. Ann Siebert, program chairman for the PTA at Lake School, is announcing the guest speaker will be Bud Shaffer at the April 9 meeting. He will be speaking on Reye's syndrome.

Shaffer is president of the Southwest Illinois Reyes Syndrome Chapter. There is little known about this disease except that it often is fatal, she said.

The syndrome usually follows another viral infection, such as flu, chicken pox, or an upper respiratory infection. It occurs predominantly from infancy through 19 years of age, but can occur in adults as well. The public is being invited to attend. The meeting will start promptly at 7:30 p.m.

Peer pressure and leadership to be studied by 3 Madison students

By LISA LUTZ
for the Press-Record

The Madison Board of Education will be sending two more students to Operation Snowball, a peer leadership program for high school students, from April 24 to April 28 in Makanda, Ill.

Social Worker Sue Borstein informed the board that the teachers union will provide money for the enrollment of one student, but sending two more would be more effective.

"This program is not for kids who are problematic, but for the ones who have leadership potential," Miss Borstein told the board in a meeting Thursday night.

"Two or three would be a good number. One doesn't

have much support," she concluded.

High school counselors already have selected some candidates for the program. The program, which was very successful in Rockford in 1978, helps the "click" leaders to constructively redirect their leadership potential.

The deadline for this seminar is April 8. It is a weekend activity and the students will not miss any school, the board was told.

The board also selected John P. Pelish as the new industrial arts teacher in the district. Pelish, a Granite City resident, has previously been a substitute teacher in Madison. He also taught school in Florida, and is an architectural draftsman at Christian Northeast Hospital in St. Louis.

The board has advertised this position for six months with no success. "It is hard to find people in this field," said School Superintendent John Palchett.

Changing student dismissal time at the Harris and Louis Baer schools was another point of discussion. When the Middle School is dismissed, some students are disturbing those still in class at Harris and Louis Baer. They are said to be

running through the halls and directing obscene gestures at teachers and pupils.

Palchett suggested that the Harris and Louis Baer students be dismissed 10 minutes early so they would be enroute home by the time the Middle School students pass Harris and Louis Baer. The earlier dismissal time would be only for the remaining six weeks of school.

Board Member Paul Bargiel objected to the idea. "This problem did not just start," said Bargiel. "It went on last year and the year before. This is just a token effort to do something for six weeks," he stated.

After much discussion, the board decided that all three schools will be dismissed at 3 p.m.

A year-end summary report from the ICBERS II energy survey stated that the overall energy usage in the district was reduced by 7.90 percent in the 1980 year.

The board members agreed to purchase reflective film to alleviate glare in the typing and the office practice room at the high school. The adhesive film is transparent and helps to reduce energy costs. The

total cost, including cleaning preparation of the windows and installation, is \$455. Howard Contracting will do the work.

A request to purchase an arc welder was submitted and approved by the board, as the old welder is inoperable. The approximate cost is \$624 including the welder and needed accessories.

In other business: A \$2,072 bid from Granite City Glass Co. for new doors needed at the Louis Baer School was accepted. The price includes installation.

The board granted permission to the American Cancer Society to allow schools to participate in the "Send a Mouse to College" program. Donations purchase laboratory mice for cancer research.

—Permission also was granted to the Trinity Tabernacle Church to use the grounds behind Madison High School for its annual Easter egg hunt, scheduled for April 18 from 1 to 3:30 p.m.

—Dirt and cinders are to be purchased for the athletic area at Middle School, the board agreed.

Manpower program renewed

The Madison County Office of Manpower Development has announced the opening of the sixth year of Operation Turnaround, the Youth Devision juvenile offender work program. Applicants must be 14-18 years of age, must be in Madison County, meet CETA income guidelines and have experienced some trouble with the law.

Applications are available from the Illinois Job Service located in Alton, Granite City and Cottonwood Mall, Glen Carbon.

The work place for Operation Turnaround is the Lewis and Clark Historical Site on Route 3 outside Hartford.

Participants will work three days each week including workshops about careers, educational opportunities and social literacy skills. The program will begin June 15 and end August 21.

CYS involved in statewide conference

A statewide conference on Options in Alternative Education will take place Friday and Saturday, April 10 and April 11, in the University Center at Southern Illinois University at Edwardsville.

The two-day series of seminars and general sessions is being sponsored by Coordinated Youth Services of Granite City, Southern Illinois Law Enforcement Commission, Illinois State Board of Education and SIUE.

The conference will concentrate on the alternative education program. It is the first of its type to be held in Illinois.

The primary purpose of the conference is to address a number of issues which face school personnel who are involved or plan to become involved with alternative education programs.

A secondary purpose is to attempt to bring together parents, students, teachers, administrators and others in the community who are interested, the organizers said.

Law enforcement and juvenile officers, social and youth workers, counselors, teachers, students and parents are among those invited to attend.

Participation is open to anyone interested. Registration, costing \$25 for adults and \$10 for students, will be accepted between 11 a.m. and 12:30 p.m. Friday on the second floor of the SIUE University Center.

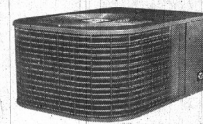

Those wishing to attend the Saturday luncheon are asked to make a reservation by Tuesday, April 7, with Donna Daisy, at 876-8180.

TREES ARE DAMAGED

Four trees planted by the Downtown Neighborhood Restoration Society around the township's parking lot at 21st Street and Delmar Avenue, were broken in half and destroyed. It was discovered Thursday. The trees will cost \$112 to replace, a spokesman for DNRS said.

VOTERS OF MADISON

Mayor Mike Sasyk and the City Administration are proud to have played a role in attracting and/or assisting the following industries which have located in Madison:

- (1) Southwest Steel Supply Company
- (2) Kreider Trucking Company
- (3) The annexation of the Kerr-McGee Chemical Corporation on the southern edge of Madison
- (4) TWR Freightcar Repair Corporation
- (5) Open Kitchens, Inc.
- (6) Swift Adhesive and Coatings
- (7) Brady Jordan Engineering
- (8) Metal Coating Products (MCP)
- (9) Doolan Steel Company
- (10) Polymer Tech
- (11) North American Stone Fireplace Center

We feel the hard work by Mayor Mike Sasyk and the current City Administration, the conducive business atmosphere displayed by our current officials, and the warm welcome extended by the City of Madison have all helped to convince the above industries to locate in our town.

THE CHOICE IS YOURS!

Vote for an administration that has a proven record of attracting industry into our community.

Good news, bad news on state health front

SPRINGFIELD—As the Illinois Department of Public Health sees it, there's been some good news and some bad news on the health front this year.

The good news doesn't directly reflect health, except perhaps for the health of the morale and the wallets of the citizenry—it was, or has been so far, an unusually mild winter with no prolonged periods of deep snow or bitter cold.

The bad news is that because it was so compara-

tively nice all winter, there was a lot more flu in Illinois than was reported the two previous years.

While the flu season, like winter, isn't officially over yet, the department finds that cases usually begin tapering off about now. The season is considered officially over about mid-April.

This year, says department spokesperson Mary Huck, the mild weather combined with the appearance of a new flu strain in the state, combined to put a lot more people than usual under the weather. Because

the strain—A-Bangkok—was new, persons exposed had no built-up resistance to it. And because the weather didn't keep people house-bound for long periods, they were out and about and exchanging flu viruses.

There was a little more good news. Though there were more flu cases, the number of flu-related deaths remained about the same as last year, Huck said.

Better duck on Holi

Primarily in northern India, March 21 is celebrated as Holi, to honor Lord Krishna and the onset of spring, by dosing family members and friends with colored powder and water. In the Punjab, some people observe the following day, Holi Mohalia, by staging mock battles with ancient weapons.

Paul Ray Bowler Doesn't Just Make Promises ... He Keeps Them PROMISES 4 YEARS AGO:

1. Stop spot zoning—update zoning ordinance
2. Be fiscally responsible.
3. Improve street conditions.
4. Improve ground water problem in Dobrey Slough
5. Help attract new industries to our city.
6. Hold ward meetings to inform 7th ward residents.

ACCOMPLISHMENTS:

1. As Chairman of Planning & Zoning the following recommendations from my committee were approved by the City Council.
 - (a) Stopped all spot zoning and special use permits.
 - (b) Instituted a comprehensive updated zoning ordinance that will protect the residential areas, but also stimulate commercial growth in designated areas.
 - (c) Fought against the commercialization of Pontoon Rd., Maryville Rd. and Johnson Rd.; also any further commercialization on Nameoki Rd.
2. As Chairman of the Finance Committee the following recommendations from my committee were approved by the City Council.
 - (a) Centralized inventory which allowed us to buy at discount prices, saving approximately 29%.
 - (b) Instituted a self-insured Workmen's Compensation Program, saving over \$54,000.
 - (c) New major medical program that immediately saved the city \$140,000 plus we get the interest on the money we levy to fund the program.
3. A 6 year comprehensive street improvement program taking whole sections of the 7th Ward, thereby eventually paving ALL our streets.
4. In the past 3 years the ground water problem of Dobrey Slough has not existed.
5. New industries in our area—Michigan Metals, Feralloy, Glennon Steel, Steelabrade—just to name a few.
6. Held at least 4 ward meetings a year.

IN ADDITION:

7. Fought against a Utility Tax that would have charged us for having to heat our homes in the winter and cool them in the summer.
8. Informed you on your tax assessment and provided you with the needed forms to lower your assessments and to protest your taxes.

Land grants approved

By JOAN MURARO

SPRINGFIELD—A total of 20 Land and Water Conservation (LAWCON) grants in northeastern Illinois have been approved by the state Conservation Advisory Board for funding for land acquisition or site development projects. The projects, 11 for development and nine for acquisition, have received approval by Dr. David Kenney, conservation director as well, and been sent to Washington for final approval by the Heritage Conservation and Recreation Service (HCRS), which is expected to give a final decision on the projects shortly after the start of the year.

The grants provide reimbursement for up to 50 percent of costs of the projects, which the local communities must first provide for themselves.

Development projects which have been approved by the advisory council, and final approval by Kenney, include:

DuPage County: Addison Park District, \$270,500 for neighborhood park development, Carol Stream Park District, \$48,044 for Armstrong Park and Trail Development, Village of Carol Stream, \$200,000 for community park, Forest Preserve District of DuPage County, \$124,000 for York Woods development, and Itasca Park District, \$7,223 for Benson Park.

Kane County: Fox Valley Park District, \$500,000 for Waubesa Lake, Geneva Park District, \$263,543 for Riverside Trail, Dundee Township Park District, \$72,500 for Maiden Lane Park development and St. Charles Park District, \$265,000 for Pottawatomie Riverside Park.

Will County: Village of Park Forest, \$61,250 for Central Park development in Cook and Will Counties, and Plainfield Township Park District, \$249,000 for Ottawa Avenue Park development.

★ AN OPEN LETTER TO ALL CITIZENS OF GRANITE CITY! ★

Since March 15, 1977, Granite City has progressed with the establishment and continuing operation of the City Ambulance Service. We feel that this is one of the **major accomplishments** of the **Schuler Administration**. We wish to discuss with you why we feel this service is of such **vital importance** to our community.

FACT

Our Ambulance Service is really an "Emergency Medical Services" system. When someone calls us, he or she is not merely receiving an ambulance, but a fully trained and State Certified crew, knowledgeable in the many aspects of "on the scene" emergency care. The patient is plugged into an emergency medical "system" whereby Doctors and Nurses at the hospital are informed of the condition of the patient, the treatment rendered, and the estimated time of arrival.

FACT

Since our inception four years ago, our City Ambulance Service has assisted, treated, and transported over 14,800 patients in the Granite City area. We are proud of this achievement. We are also proud of the fact that if unexpected illness or accident strikes you or a loved one, we will be on the scene assisting in an average of 3 to 6 minutes.

FACT

We are constantly striving to better our skills for you. Seven men have become State Certified Paramedics under the City Ambulance Service. Eight of our members have been Certified as "Emergency Rescue Technicians." Four of our members are Cardio-Pulmonary Resuscitation (CPR) Instructors. In addition many of our members have attended various seminars to better familiarize themselves with the latest techniques in emergency care.

*FACT

In 1981 Heart Attacks will claim the lives of **70** Granite City residents. **32** of these lives can be saved with a properly functioning Ambulance Service.

*FACT

In 1981 **500** Granite City residents will suffer serious accidents; **22** will die, **80** will suffer lasting disability. **Proper** and **Immediate** emergency care will result in a **20-35% reduction** in loss of lives and suffering.

*FACT

In 1981 **100** accidental poisonings will occur in Granite City (90% in children), and **2** will die.

*FACT

In 1981 **16** Granite Cityians will be seriously burned, **2** will die.

*FACT

A properly functioning Ambulance Service will show a **20-35% REDUCTION** in loss of lives and productivity.

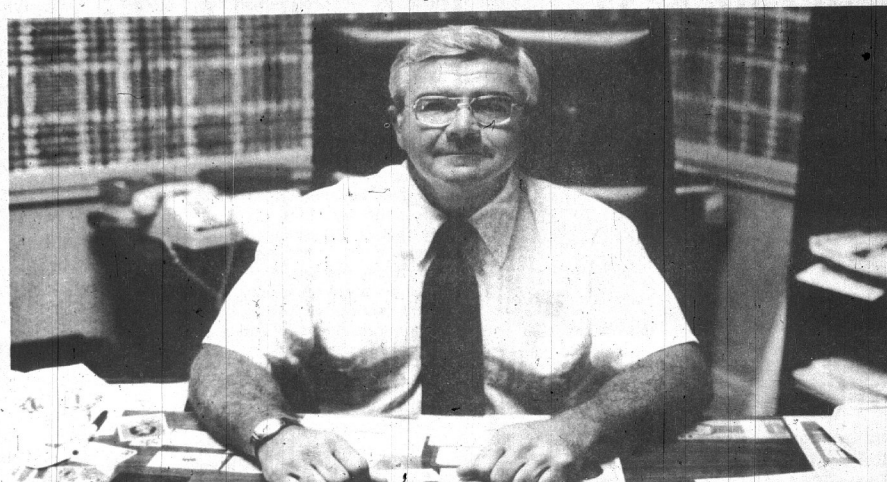

FACT

* All statistics courtesy of the **American Heart Association** and the **Advanced Coronary Treatment Foundation**; based on occurrences per 100,000 population.

Our membership is active in the community. We make many charitable contributions to needy individuals and organizations. We conduct CPR classes for the general public, and we are always available for free Blood Pressure checks. We are here to serve you both on and off duty.

In summation, we of the Granite City Ambulance Service feel that the needs of all of us as citizens will best be served by re-electing the man whose farsightedness and hard work gave us this **PROGRESSIVE** and **VITAL** City Service.

THEREFORE, WE UNANIMOUSLY ENDORSE, AND ASK YOU TO.. JOIN US AND ON APRIL 7, 1981 ... VOTE TO RE-ELECT...

New SIUE gym bids within budget

New bids for construction of a permanent multipurpose physical education, recreation and athletics facility at Southern Illinois University at Edwardsville, were opened in Springfield, Thursday by the Illinois Capital Development Board (CDB).

Eldon Bigham, SIUE athletic director, said the low base bids totaled \$9,426,106, or more than a half-million dollars below the available project construction budget of \$10 million.

With alternates totaling \$33,620, the low bids totaled \$9,504,726.

The bids will be reviewed by Buck Estridge, project manager for the CDB, with the project architects and the SIUE board to determine if the proposals meet all

required specifications. If the review is favorable and approvals are given, contracts will be awarded in two to three weeks.

The low bidders were: General-Azzarelli Construction Co., Kankakee, \$6,234,278; plumbing-Kane Plumbing & Heating Co., Wood River, \$748,000; heating-Kane, \$571,755.

Ventilation—France Plumbing & Heating Co., Edwardsville, \$558,880; electrical—UDE Inc., St. Louis, \$700,000; sprinkler system—Bi-State Co., Fenton, Mo., \$120,521.

Initial bids were opened Dec. 19 and totaled nearly \$2.5 million over the authorized budget.

Discussions were held with the architects, resulting in structural and design modifications. Bigham said the modifications will not reduce or eliminate the major program goals for the building.

Young man is beaten

Bill Schermer, 4505 Vine St., suffered cuts to his chin and lip and swelling above his right eye when he was beaten by another young man at Niedringhaus Avenue and Chestnut Street in Lincoln Place at 3 a.m. Saturday.

Schermer said he was walking with a girlfriend toward his car when a young man he knew walked up to him and asked to talk. When Schermer refused, the man threw him to the ground and struck him repeatedly.

Schermer went to St. Elizabeth Medical Center, where seven sutures were required to close the cuts to his chin and lip and he was released.

SPEAKER ON FUTURE
A business and social responsibility specialist will be the guest speaker Thursday, April 9, at 4:30 p.m. at the student chapter meeting of the American Society of Personnel Administration at SIUE in the Red Bud Room of the University Center. Mrs. Margaret Strop, director of corporate and social responsibility for Monsanto Co., will discuss the importance of predicting and solving social, political and economic issues of the future.

is opposed by the Rev. Charles Rockett. Madison clerk's office will be available until about 8 p.m. in the city clerk's office in the Madison City Hall.

CITY OF VENICE
Venice Mayor Tyrone Echols, City Treasurer J. Alan Gardner and Fourth Ward Alderman Charles Haynes are unopposed, but there are races for city clerk and the city's first three wards.

With City Clerk Lloyd Patterson retiring, two candidates, Dale Georgeff and James L. Harrell are bidding for that post.

In the First Ward, incumbent John T. Fleig is opposed by Earl William Hogan and Virginia "Ginny" Hargis.

Ward Two Alderman Hank A. Svezia is opposed by Kenneth E. Mueller; Venice Ward Three pits John "Dickie" Ervin, the incumbent, against challenger Silver L. Franklin.

Election night results will be posted at the Venice City Hall.

PARK DISTRICTS
George Sykes, president of the Granite City Park District, is unopposed to retain his seat on the board, but there is opposition for three seats on the Venice Park Board.

Three candidates are competing for two six-year seats on the Venice board. Incumbents Valeta Bauder and Joan Silas are opposed by the Rev. John Henry Williams.

NAMEOKI TOWNSHIP
Every elected position in Nameoki Township is subject to election tomorrow and two full slates assure opposition in every race.

The Progressive Action Party is headed by Richard Kismier, candidate for supervisor, and includes Donald Lee Ridgeway for clerk, Norman W. Hall for tax collector, David E. Pantney for tax assessor and incumbent Frank G. Mehelic for highway commissioner.

Trustee candidates on the Progressive Action Party are Helen Hawkins, Joseph Garcia, Jan Langenstein and Don M. Wilson.

Former Nameoki Township Supervisor Harry Briggs heads the United With Progress party ticket for his old job. The party also includes the current supervisor, Harold Davis, who is running for highway commissioner, and incumbents Town Clerk Douglas Teetor, Tax Assessor Carl Macios and Tax Collector Freida Ballew, who are seeking re-election.

Town Clerk Douglas Teetor will gather the results from the precincts at the town hall, 4250 Highway 362, and

Voters

(Continued from Page 1)

will post them for the public.

CHOUTEAU TOWNSHIP
Two full slates also are competing in Chouteau Township, where every township post is to be voted upon.

The United Township Party is heavily weighted with incumbents, headed by Supervisor Walter Dick Sparks, who is seeking re-election. Also seeking the same posts are Town Clerk Patricia Polley, Tax Collector Cletus Bedwell, Tax Collector Marion Sparks and Highway Commissioner Wilfred "Bud" Eberhardt.

Trustee candidates on the United Township Party are Josephine Burgener and incumbents Dudley Luebber, Thomas Johnson and Steve Novosel.

They are opposed by the Chouteau Independent Party, headed by Peyton Bertis Maynard is running for town clerk, Michael R. Carner is candidate for tax collector, Darro M. Daugherty seeks the office of tax assessor and Arthur LaRose seeks the office of highway commissioner.

Trustee candidates of the Chouteau Independent Party are Joseph Steffanoff, Robert Lecrone, Juanita Barnes and Galdon Barton.

Town Clerk Patricia Polley said the results will be available election night at the township hall, 697 N. Thorngate Drive.

VENICE TOWNSHIP
Venice Township Supervisor Christ Pashoff is opposed by William "Bill" Boelling and incumbent Town Clerk Lawrence V. Bilbrey faces opposition from Jacob Young Jr.

Assessor Margaret J. Reidelberger and Highway Commissioner Eddie Lee Salmond are unopposed.

Tax Collector Jerry Maeras did not file for re-election and two are bidding for his job, Zella Niehaus and Evelyn M. Holt.

Four candidates are nearly assured election to the four trustee openings on the Venice Town Board. They are Earl T. Mosley, Benjamin Honorable, Richard J. Paterson and John R. Piechocinski.

Venice township results will be available at the township office, 1502 Fifth St.

PONTON BEACH
Four candidates seek three trustee positions on the Ponton Beach Village Board. The Village Improvement Party is backing incumbent Donald C. Rea, Robert Vincent and Robert Abel. An independent candidate is Mrs. M. Joyce Hastings.

Results will be posted in the village hall.

FORGORY ALLEGED

James W. Strenge, 26, East St. Louis, who was arrested at 9:35 a.m. Thursday in First Granite City National Bank for allegedly attempting to cash a worthless check, was charged Friday in an informational document from the Madison County state's attorney's office with forgery. He was taken to the Madison County Jail at Edwardsville at 7:15 p.m. Friday in lieu of bail.

We The People...

Is "we the people" just an old over used cliché or is it still the ruling force in Federal, State, and local government?

I believe it is still the ruling force in government whereby we can control our destiny.

"We the people" cannot function well when people do not care enough to register and to vote. It is strange but true that these people always seem to cry the loudest and complain the most about the things in government that affect them. These people really deserve their fate and do not deserve to be heard.

"We the people" deserve the type of government we get and it is true we sometimes make a mistake, because we are human. But our mistakes can always be corrected at the next election. That is why I believe "we the people" is still the best system in the world today.

I am not a politician nor do I aspire to becoming one. I do have one vote and I use it.

Remember, April 7, 1981 you can express your feelings with that vote. If you are satisfied with Granite City, Illinois the way it is, you have that choice. But, if like me, common sense allows you to see the shrinkage in population, the decay of downtown and other areas of our city, loss of industry, school problems, abnormal and unequal taxation and a general view of the downhill slide we are in, then vote to change the direction of Granite City, Illinois.

I am trusting my vote this election with Dan Partney for Mayor to turn the direction of Granite City, Illinois around to the kind of City it used to be and can be again. Remember, where there is no vision the people perish.

Dance to aid summer youth employment

The Madison County Urban League booster organization will be sponsoring a benefit dance on Saturday, April 18, from 9 p.m. to 1 a.m. at the American Legion hall, 740 Broadway, Venice. Bill Tucker & Company will provide the music.

Tickets are \$6 in advance and \$8.50 at the door. The tickets may be picked up at any Madison County Urban League office: 306 Broadway in Venice, 500 Madison Avenue in Madison, or 321 East Broadway in Alton.

All proceeds will go to fund a summer youth employment program.

The Madison County Urban League summer youth program has operated for the past three summers in cooperation with area businesses and city governments. Eligible high school students have been placed at various positions in the Quad-Cities as secretaries, sales personnel, clerks, etc.

State Farm is there.

STATE FARM
INSURANCE COMPANIES
Home Office: Bloomington, Illinois

UNDAUNTED BY FIRE. Mrs. Bertha Edwards feeds her livestock last week despite a fire, in background, which was rapidly moving in the direction of her home and farm buildings. No fire department would respond initially, because the farm is

in "no man's land," an unincorporated area of Nameoki Township not within any fire district. A court order later was signed ordering the Madison Fire Department to fight the blaze.

(Press-Record Photo by Pat Foley)

Court order required to douse fire

By PAT FOLEY
of the Press-Record

A court order was needed to douse a fire in a "no man's land" which threatened the home of Mr. and Mrs. Clarence Edwards, 115 S. Roosevelt St., in Nameoki Township, after the Venice and Madison, fire departments refused to respond.

The fire was alleged by Mrs. Edwards to have been started by three young boys and, because of high winds and dry weeds, it spread very quickly towards her home.

The Edwards raise pigs, geese, turkeys and other animals on a small farm just beyond the boundary of the Venice fire district, adjacent to Eagle Park Acres.

The Venice Fire Department initially responded to the fire, but when it was found to be outside of the district, they returned to their fire station. The fire department's insurance on equipment and personnel does not provide coverage if used outside of the fire district, it was explained.

A huge column of black smoke, which could be seen for miles, aroused the curiosity of many who crowded the area and camera crews from St. Louis television stations were dispatched to the scene.

Several of those who went to the site of the fire quickly volunteered to help the Edwards move some of their livestock to safer ground, as the flames began to ignite piles of old lumber, tires and junk trucks and cars.

Nameoki Township Supervisor Harold Davis had also seen the black column of smoke and arrived on the scene to investigate. He immediately called the Long Lake Volunteer Fire Department when he learned of the situation, but that department would not respond either, because of the same insurance problems for which Venice and Madison refused to respond. The National City

and Brooklyn fire departments also were called, but they gave the same reply.

Supervisor Davis also contacted Ed Harris, Madison County director of the Emergency Services and Disaster Agency, but Harris said that a fire is not within his jurisdiction and he could offer no help with the situation.

A Madison County Sheriff's deputy called his department for assistance in finding some way to fight the fire. That call, through a chain of events, got Madison County State's Attorney Don Weber investigating possible ways to order the nearby fire departments to combat the blaze.

File charges in shooting

Terry Lee Clevenger, 33, Edwardsville, was charged Thursday with armed violence and aggravated battery in connection with the shooting of two former Granite City men near Edwardsville Wednesday.

Donald Lee Lyons, 48, Edwardsville, was killed after being shot seven times in the chest and head and Robert L. Baker, 51, Wood River, is recuperating at Oliver C. Anderson Hospital in Maryville, after being shot once in the head and once in the chest.

The charges against Clevenger pertain only to the shooting of Baker, pending additional investigation, a spokesman for the Madison County state's attorney's office said.

The shooting followed an argument over the affection of Lyons' ex-wife, deputies said, and the incident occurred at her home on Drda Lane near Edwardsville at the same home where Leroy Johnson was believed to have been killed Jan. 30, 1971. The case drew wide publicity because Mr. Johnson's body was never found.

A sheriff's deputy brought Weber and his assistant, Randy Massey, to the site of the fire. He was filled in on status of the fire by Lee Adams, assistant fire chief of the Long Lake volunteer department.

Weber quickly got in contact with Associate Judge Thomas Hildebrand of Granite City, who signed a court order requiring the Madison Fire Department to respond to the fire.

A pumper from that department did respond and immediately called the Venice Fire Department for assistance under a mutual aid agreement. Venice then did respond.

The Long Lake department also was asked for assistance and firefighters from that department responded with a 3,000-gallon-capacity tanker and quickly set up their fold-a-tank reservoir, from which the Venice firemen siphoned water to fight the fire.

A bulldozer from Kamaulski Excavating was also used to cut a fire line to keep the flames from spreading and dumped debris on piles of burning junk to extinguish the flames.

Only one pig pen was destroyed and one pig was killed by the flames.

Lyons, then a Granite City resident, was convicted of aggravated battery in connection with the beating of Mr. Johnson and Claude Griffith of Madison was found guilty of attempted murder.

Wednesday, sheriff's deputies were summoned to the Drda Lane address after Lyons' former wife and Clevenger told deputies they were "in mortal fear" of Lyons, who had given his ex-wife a deadline of 10 a.m. Saturday to return to him or he would kill both her and Clevenger. They said he had a gun and beer in his car.

Deputies heard shots as they were approaching the house and alleged finding Clevenger on the lawn with a .22 caliber rifle in his hand and Lyons dead on the porch, according to official reports.

FOOD STAMPS TAKEN
A medical card and \$100 worth of food stamps were stolen from the home of Janet Williamson, 1706 rear Cleveland Blvd., Thursday. The door to the apartment was forced open to gain entry.

APARTMENT BURGLARY
James Sallee, 4305 Kirkpatrick Homes, discovered at 9:30 p.m. Thursday that \$102 worth of food stamps, \$30 cash and three containers of medicine were stolen from his apartment during the previous 90 minutes. Entry was gained by opening a window and reaching through to unlock a door.

Man hurt seriously on West Pontoon Road

Ronald Smith, 25, of 2805 Circle Drive, was seriously injured when his pickup truck and the van of Phillip Frink, 23, Whitesboro, N.Y., collided at West Pontoon Road and Missouri Avenue (formerly Route 3) at 9:45 a.m. Saturday.

Police said Smith's truck was southbound on Missouri Avenue and Frink's van was westbound on West Pontoon Road when they collided. There were no witnesses and authorities were unable to determine which vehicle had the red light.

A traffic signal light was knocked down during the accident. Rescue workers had to pry Smith out of his car. Fire engines, the rescue truck, tow trucks, street department vehicles and police all were sent to the scene.

Both drivers were taken by a Granite City ambulance to St. Elizabeth Medical Center where Smith was unresponsive and was ordered transferred to Firmin Desloge Hospital, St. Louis. He suffered severe cuts to his forehead, a contusion to his chest and abrasions to his right upper arm.

Frink suffered a three-inch cut to his lower back and abrasions to his upper back and was released after emergency room treatment.

YOUNG MAN BEATEN
Richard Janco, 19, of 2449 Edison Ave., was severely beaten at Nameoki Road and Iowa Street at 3 a.m. Saturday and was taken to St. Elizabeth Medical Center. A companion said Janco was nearly struck by a car while trying to cross Nameoki Road and Janco and the driver exchanged words. The driver then got out and severely beat Janco before leaving the scene. He was bleeding from the face when officers found him and took him to the medical center.

RECOVER STOLEN CAR
The auto of Fred Foschiatti, 2207 Edison Ave., stolen from 24th and State streets between 10 p.m. and 4 a.m. Saturday, was recovered at 5:44 a.m. Saturday in the 2400 block of Edison Avenue.

DISCOVER (SIUE)

A NEW CAREER AS
A VOCATIONAL TEACHER

Are You... Vocationally skilled?
Without a college degree?

Come to a special workshop and bring your spouse.

You'll receive help in:

1. Exploring your present career...
2. Considering a career change to teaching...
3. Identifying your skills and abilities as they relate to teaching...
4. Learning what kind of training or preparation is needed to start teaching...
5. Learning strategies to use in seeking teaching jobs...

Workshops are offered at NO COST to participants.

DATE: April 14 & 21, 1981
LOCATION: Southern Illinois University at Edwardsville
TIME: 6:30 P.M., both sessions

IT'S TIME FOR A CHANGE! JIM RISKOVSKY

IS THE ONLY CANDIDATE WHO HAS REAL REASON TO BE CONCERNED ABOUT EACH OF THE FOLLOWING:

- ✓ **SENIOR CITIZENS... WHY?**
Because his mother and father are senior citizens and have lived in Madison their entire life... he is naturally concerned about their future needs and welfare as well as all senior citizens in the community.
- ✓ **MIDDLE AGE GROUP... WHY?**
Because he and his wife have chosen to make Madison their livelihood... he has a deep concern for their future and wants to help protect their investments as well as yours.
- ✓ **YOUTHS OF TOMORROW... WHY?**
Because he has two children... he has a need to be concerned about their future and welfare in addition to all youths of tomorrow as they are the City's future government.
- ✓ **PROPERTY OWNERS... WHY?**
Because he has real estate and has invested his future in Madison... he has a need to be concerned about property value, its environmental conditions and general surroundings, and wants to maintain a well preserved image of the City.
- ✓ **BUSINESS AFFAIRS... WHY?**
Because he is a working businessman, owning Riskovsky's Automotive Engineering... he has an interest and concern for the future growth of the City and its prosperity.

As you can see, Jim's interests are wide-spread! Jim is the only candidate who has a real need to be concerned in all these areas! I'm sure, with your vote on April 7, we can all work together in hopes of a better and brighter tomorrow.

Episcopal bishop of Springfield resigns

The Rev. Albert W. Hillestad, bishop of the Diocese of Springfield (Episcopal) has submitted his resignation to Presiding Bishop John M. Allin, for reasons of health. It will be effective upon approval by the church's House of Bishops.

Following his election in the fall of 1971, he was consecrated bishop coadjutor Feb. 19, 1972, and was enthroned as bishop of the Diocese on Sept. 24, 1972. During his episcopate he presided over a major reorganization of the diocesan structure and the founding of several new congregations. He was elected president of the Fifth Province of the Episcopal Church in 1974, and has served in that capacity until the present.

The bishop was married to the former Carol Joyce Hutchins, who died in 1978. He has seven children.

He earned a bachelor of arts degree from the University of Wisconsin in 1947, and a bachelor of divinity from Seabury Western Theological Seminary in 1959.

He was ordained a deacon and a priest in 1950. Following his ordination, he served as an assistant at

Christ Church, La Crosse, Wis., from 1950 to 1961, and as rector of the Church of the Ascension, Chicago, from 1961 to 1967. During that time, he was chaplain to "Divorcees Anonymous" in Chicago. He then became vicar of St. Mark's Church, Oconto, Wis., and St. Paul's Church, Beaver, Wis., until being called to be rector of St. Andrew's, Carbondale, Ill., in 1964. He was chaplain to the Illinois State Penitentiaries at Menard and Vienna during his tenure in Carbondale.

The standing committee, four priests and four laypersons elected as advisors to the bishop, will take over the management of the affairs of the Diocese until the consecration of a new bishop.

Two on cycle injured

The driver and a passenger on a motorcycle were injured in a series of accidents on Edwardsville Road near the railroad crossing by 19th Street at 2:53 p.m. Thursday.

The traffic problems began when the pickup truck of Orin Willmann, Greenville, Ill., drove from the steel company lot and turned left into the eastbound lanes of Edwardsville Road, colliding with the eastbound auto of Terry Singler, 2433 rear Adams St.

Both vehicles came to a stop and a truck behind them also stopped. The motorcycle of Jackie Huether, 29, of 4860 Warnock Ave., then approached the rear of the truck, swerved around it and then noticed Singler's auto stopped in the inside lane.

The cycle was unable to swerve to the outside lane due to other traffic there, so Huether applied the brakes and the cycle slid into the stopped car.

Teresa Huether was taken by a Granite City ambulance to St. Elizabeth Medical Center where she was treated for a head injury and abrasions to her right knee and elbow.

Jackie Huether later went to the medical center and was treated for injuries to his right foot. Both were released after treatment, authorities said.

SEEK STATE SOCIAL SERVICE COMMENTARY. The Illinois Department of Public Aid is asking for public comments on its proposed 1981-82 comprehensive annual social services plan. It describes social services provided by 12 state agencies under Title XX of the federal Social Security Act.

Public comments will be taken through May 15. Copies of the plan may be obtained by writing: Bureau of Title XX, Illinois Department of Public Aid, 528 S. 5th St., Springfield, 62762.

UNDERCOATING—RALPH'S TEXACO 22nd & MADISON AVE.

GC, Pontoon (Continued from Page 1)

11 destroyed) in the Edwardsville Estates Mobile Home Court of about 270 and Route 157 before moving into downtown Edwardsville.

There was extensive damage in Edwardsville with numerous homes and businesses leveled and damage estimated at \$3 million to \$5 million.

Rooftop heating and air conditioning units on top of the new Madison County Jail were lifted from the roof, damaging the roof. The extent of damages to the county courthouse is yet to be determined, but surrounding businesses were heavily damaged.

Electrical power to much of Granite City was interrupted the moment the twister touched down.

Finally, it was silent, except for a light rain.

The silence did not last long as the sirens of emergency vehicles soon filled the night. All available policemen, firemen, ambulance personnel, street department and auxiliary policemen were summoned to the scene. The Madison County Police and Venice police also sent men to help. Illinois Power crews responded.

Afraid of looters, Granite City police closed off the 12-block area bounded by Maryville Road and St. Clair, Edgewood and Terminal avenues. All off-duty policemen were called in the night to assist at the scene and they worked throughout the night.

There were numerous natural gas leaks in the damaged homes, so police alerted all homeowners to turn off the gas to their houses. Fortunately, no major fires broke out.

The grim task of cleaning up the mess began immediately. The streets were cleared by street department high lifts and the residents attempted to patch the roofs of their homes, close holes in the walls and start rebuilding their interrupted lives.

For one man, there was no reason to hope. The entire roof of his home had been blown off, his pickup truck and camper shell had been turned over in the street and all he could do was try to save as many belongings from the house as possible. During rest periods, he sat in a lawn chair in his front yard and cried.

Police were strained, attempting to secure the damaged areas of the city, to open streets for emergency vehicles and to respond to the numerous business burglar alarms set off by the high winds which accompanied the tornado. Alarms sounded from 10:54

p.m. through 11:13 p.m. at 13 businesses, churches and schools. All turned out to be false alarms.

Electrical power to most homes was restored by Illinois Power crews within two hours of the outage, but power to the heavily-damaged area was out all night. Emergency lights were supplied by C.D. Peters Construction Co. and Granite City Steel to aid the workers and homeowners during the night.

The emergency room at St. Elizabeth Medical Center became a beehive of activity as city ambulances brought in those who had been injured by the storm.

Among those admitted were Lorene Boser, 69, of 83 Kaseberg Lane, Pontoon Beach, who said she stepped out onto her porch only to find it wasn't there and she fell, hurting her left foot and ankle and ribs; Betty Becker, 39, of Village Green Mobile Home Park, whose home was demolished and she suffered injuries to her head, right foot and right hand; Billy Lenz, 7, of 42 Steelecrest Lane, who suffered a cut to the top of his head.

Also, Alta Lenke, 57, of Belleville, who was in a mobile home here, fell from the porch and the home fell on her left leg; Regina Benson, 20, of 4060 Kathy Drive, Pontoon Beach, who suffered a six-inch cut to her right ankle from flying debris, and Daniel Monroe Sr., 41, of 2324 Cardinal Ave., who fell down the basement steps during the twister and injured his lower back and chest.

Of those treated and released, their injuries could have been much more serious. For example, Robin Keel, 12, of 2407 Cardinal Ave., was struck in the back by her home's furnace, Brenda Bains, 39, of 3000 Mockingbird Lane, who had glass in both eyes, and her daughter, Carrie Palmer, 15, who had glass in her right eye; Joy Hallberg, Edwardsville Estates, who suffered injuries to her left shoulder, wrist and neck when a bed fell on her, and Mary Havron, 2341 Delta Ave., whose right arm was injured when a wall of her house blew down on it.

Others hurt by the wind and flying debris included Joyce Adams, 42, of Edwardsville Estates; Raymond McGee, 38, of 2200 Cardinal Ave.; Edward Zarr, 22, of 4060 Kathy Drive; Edgar Dietrich, 71, of 2730 Lincoln Ave.; a Graduate of Southern Illinois University; Joseph Ehrhreich, 38, of 2808 National Ave.; and Joyce Adams of Edwardsville Estates. All were released after treatment.

In the cleanup effort, three persons stepped on nails and required treatment and tetanus shots in the emergency room. They were Harold Smith, 16, of 2403 Delta Ave.; Alan Lenz, 42 Steelecrest Lane; and Gary Snowden, 2900 Maryville Road.

No estimates of the damage have been prepared, but it could easily exceed the \$1 million mark in Granite City alone.

At the request of the Tri-City Chapter, the American Red Cross has dispatched several workers to register tornado victims and help them find food, clothing and shelter. Registration began at 10 a.m. today in the Salvation Army Center, 3007 E. 23rd St.

"We are working on a case-by-case basis, trying to meet each family's emergency needs," a spokesman said.

The National Weather Service said it concluded Saturday that it was a severe storm which damaged parts of Florissant, St. Louis, Franklin and Jefferson Counties in Missouri and Lambert-St. Louis International Airport with winds measured at 90 miles-per-hour, but the storm turned into a small tornado when it reached Granite City and continued into Edwardsville.

CASH IS STOLEN William Criss, 90, of the 1700 block of Delmar Avenue, was awakened at 8:10 a.m. Friday to discover that his wallet had been removed from under his pillow and \$242 cash had been removed from it. The wallet was found on the couch and the rear door was standing open. It has not been determined how entry was gained.

GRANITE CITY (ILL.) PRESS-RECORD, Monday, April 6, 1981—13

South takes two from Belleville

By PETE HAYES
Sports Editor

GRANITE CITY — John Modica had a chance to smile a bit here Saturday afternoon.

Modica, the first-year coach of the Granite City South baseball team, had worried about consistency during his team's first seven ball games of the season. But in his team's double header sweep of Belleville West, Modica saw enough consistency. The Warriors bumped off the Maroons 9-6 in the first game and held on to win the second game 6-5.

"We hadn't been consistent," Modica said. "We'd get a big lead and then lose the game. But this time, we put it together."

GAME ONE

South broke open a close game in the first contest with a seven-run scoring outburst in the bottom of the sixth inning.

The big firepower for the Warriors in the first game came off the bat of David Modrusic. He was two-for-

two at the plate, had double and three runs batted in. "He had a good day for us," said Modica. "But we got good efforts from everybody. We finally got the right mix of hitting, pitching and defense."

West had scored in the top of the third inning to take a brief lead, before the Warriors came back in the bottom of the same frame to tie it.

Belleville West held a 3-2 lead over South heading into the bottom of the sixth. That's when the Warriors took control of things.

West's Maroons managed to plate three more runs across in the top of the seventh, but it wasn't enough.

South's Darryl Harris got the win in the opener — despite pitching to only two batters in the sixth inning. Randy Camp came on in relief to finish off the Maroons. Steve Manka started on the mound for the Warriors.

GAME TWO

In the second game, West's Maroons again took the early

lead. They scored a run in the top of the first inning. But back came the Warriors.

South scored three runs in the bottom of the first inning and put across two more in the bottom of the second frame to take a 5-1 lead.

Rick Daily did it all in game two. Both at the plate and on the pitcher's mound. He was two-for-three at the plate with a pair of triples and had three runs batted in. He pitched three and a third innings, gave up one run, seven hits struck out seven and walked one.

But Daily wasn't the whole story for the Warriors in the second game. John Linhart was two-for-four with an RBI, Ken Wilson was three-for-three with a double and an RBI.

Sweeping the pair of games from West was just what the Warriors needed according to Modica. "We really needed these wins," he said. "We had to get the right mix of pitching, defense and hitting together."

"We'd been getting ahead and losing leads. We're going to be in a lot of close ball

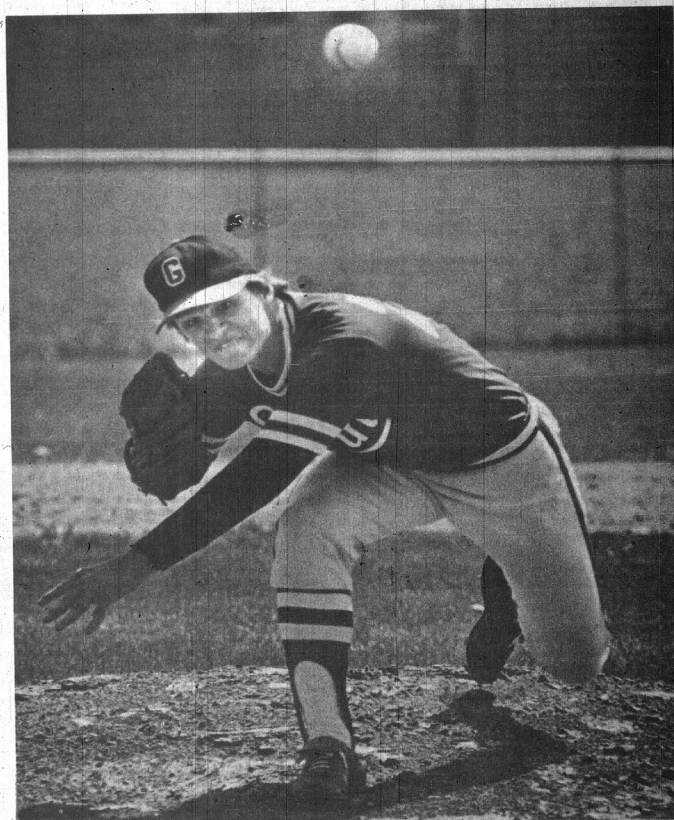

games this season. And everything has to be just right to win the close ones. "You have to have consistent hitting to win the close ones," he said. "This time, we got it."

South saw its record raised to 4-5-1 with the victories. West dropped to 4-2 after winning its first four of the season, including a victory over defending Class AA state champion Collinsville.

"I don't pay that much attention to that kind of stuff," Modica said, referring to West's perfect record going into the doubleheader. "If we play good, solid ball, we'll be all right."

Having had a little over two weeks to look at his team in actual game conditions, how does Modica think things are stacking up? "It's still too early," he said. "We really don't have the pitching rotation down yet."

How about Modica himself? How's he faring in his first year at the South helm? "It's a lot of work," he said. "I'm tired and I'm losing weight."

TO THE PLATE. Granite City South pitcher Manca delivers one home during the first game of his team's doubleheader Saturday

with Belleville West. South scored seven runs in the bottom of the sixth inning to win the game 6-5 and held on for a victory in the second game, 6-5. (Photo Record Photo by Ed Setzer)

Flyers, Tigers blitz field at Mineral Area

BELLEVILLE — It was the "Big Two" against the rest of the field here Saturday afternoon at the running of the annual Mineral Area Track Meet at Belleville East High School. East St. Louis Senior

High's Flyers noied out arch-rival East St. Louis Lincoln's Tigers 81-78.5 to win the team championship, while the other 22 teams fought it out for the scraps.

Actually, the fight for the lower positions was pretty

good. Freeburg, one of only the six Class A (small) schools in the meet, finished third with 23 points. Mount Vernon, which won last week's Belleville East Invitational, edged out Alton for fourth place, 18.5-18. Springfield Southeast finished sixth with 16 points followed by Edwardsville 11, O'Fallon 8.5, Granite City North 8, Lebanon 7, Granite City South 6, Belleville East 6, Marion 6, Cahokia 4, Belleville West 3.5, Collinsville 3, Harrisburg 3, Madison 2, Jerseyville 2 and Mascoutah 2. Red Bud, Herrin, Wesclin and Waterloo did not score.

Last Saturday, the Flyers and Tigers played reversed roles at the Alton relays, Lincoln beat East St. Louis. In four indoor meets early in the season, East Side had beaten the Tigers easily.

The best finish for a Quad City athlete was by Granite City South miller Drew Geisler who came in second. He and Greg Hill of Freeburg battled neck and neck through the final turn and down the stretch in the 1,600 meter run. The lead changed hands four times in the last stretch. Hill finally held on for the victory. The winning time was 4:24.2.

Geisler's time was 4:25.3, his personal best of the season. Besides Hill, Granite City coach Mel Bunting thinks Geisler's other rival for top distance runner in the area is

Gary Chappell of Alton. "I think it'll be between them," he said. "Drew is really coming along. He could be one of the best before it's over."

Dave McLean of South and Bruce DeRuntz of Granite City North finished four-five in the 3,200 meter run. McLean's time was 9:44.2. DeRuntz ran it in a time of 9:49.3. James Guthrie of Lebanon was the winner in a time of 9:34.4.

"The sprints are where we're hurting," said Bunting. "We can fairly well hold our own in the distance events. But the sprint events are where other teams rack up the points on us."

"In field events, it's a rebuilding year. We graduated just about all our field events winners last year."

Granite City North's Mike Long finished third in the shot put and fourth in the discus throw. His distance in the shot put was 16.48 meters. His throw in the discus was 44.37 meters. John Davis of Lincoln won the shot put at 16.78 meters, while Alton's Jerry Eichen was the discus winner with a heave of 45.68 meters.

North's Tim Rozycki finished fifth in the low hurdles. He ran them in a time of 40.3 seconds. The winning time was 38.5 by

(Continued on Page 15)

Venice joins new Illini Gateway loop

EDWARDSVILLE — The second organizational meeting of Metro-East newest athletic conference was held last week at Metro-East Lutheran High in Edwardsville.

Highlights of the meeting included the attendance of two additional potential members, Worden Public High and Venice High. These two will join St. Paul of Highland, St. Henry of Belleville, Livingston, and Metro-East Lutheran.

Also, the naming of the league was decided. Illini Gateway Conference being chosen over some dozen other possibilities.

Of the six potential members, five appear to be committed for certain. Only Worden is pending because of its prior conference affiliation with the Egyptian Illini. Additionally, Alton Marquette may join, pending its review of the conference's constitution and by-laws. A committee to draft and present the constitution will meet Monday, April 13 and all conference officials will meet Monday, April 27 to finalize proposals and matters of implementation.

If all goes as planned, a conference girls volleyball tournament to be held next fall will be the first sport contest in the new league. Basketball will begin on an abbreviated note, (league members will meet each other only once in 1981-1982), and the spring sports of boys baseball and girls softball will both have full conference participation.

Triad whips Madison twice

By JIM CAGLE

ST. JACOB — The Triad Knights combined two solid pitching performances with plenty of offensive firepower and swept a doubleheader from Madison's Trojans here Saturday, 8-2 and 10-1.

Madison dropped to 0-7, while the Knights' record stands at 4-2.

"No hitting," said Madison coach John Paskus. "We haven't hit in seven games. I wish I could tell you more, but I can't. I'm dumb-founded."

Paskus' description of the games was accurate. Triad pitching allowed the Trojans only five hits in the 14 innings played.

Damon Buehrer got the win in the opener for Triad. The right-hander went five

and two-thirds innings in his second outing of the season. He struck out eight, walked six and gave up only one hit.

Tom Ladd came on for the Knights in game number two and smoked Madison's chances for a split. The right-handed fireballer had 11 strike outs in five and one-third innings. He walked four and allowed three hits.

The Knights' Dave Lambert relieved in both games. His combined effort in three innings was five strike outs and one walk. He allowed one hit.

Once again, Mike Jacobi provided the big bat for Triad. He went three-for-three in the first game and two-for-three in the second. Jacobi drove in five runs, hit his second home run of the season and had three

doubles. He's batting .667 and has eight RBIs.

GAME ONE

Triad got on the board first when Buehrer and Lambert both singled in the bottom of the first inning. Buehrer scored on Jacobi's double off Trojan starter George Wallace. Lambert came home on Bob Loos' infield out.

Madison pulled tow within one run in the third. Wallace reached on an error and later scored on a wild pitch. The Trojans still didn't have a hit in the game.

Triad got the run back in the third when Lambert scored on Jacobi's second RBI double. Madison could manage only one more run. Jeff Niehaus drove Wallace home in the fifth inning with Madison's first hit. Niehaus

had both Madison hits. Triad added four runs in the fifth and one in the sixth.

GAME TWO

Triad once again wasted little time getting in from. Lambert walked with two out and scored when Jacobi's single skipped past the right fielder. Jacobi also scored on the play giving the Knights a 2-0 lead in the first inning.

The Trojans scored their only run in the fourth inning when centerfielder Ken Briggs reached on a fielder's choice, advanced on an error and scored on a wild pitch.

5. Lewis (EST) 6.38.

EDWARDSVILLE — The
appointment of Eldon M.
Bigham, 38, as athletic director
at Southern Illinois
University at Edwardsville
was announced today by Dr.
James R. Buck, director of
development and public
affairs at the University. The
appointment, effective
immediately, is subject to
confirmation by the SIUE
Board of Trustees.
Bigham, who has been
associated with the
University for 13 years, has
been assistant to the vice
president for student affairs
since 1977, with overall
administrative responsibility
for intercollegiate
athletics and recreation.
Dr. Buck pointed out that in
the past three years, the
SIUE Cougars have won four
national team titles — one in
Division I soccer and three in
Division II tennis — and

THAT TIME AGAIN. Kathy Nelson (21) of Wayne's Men's Wear dribbles the ball past a defender from the Pink Panthers yesterday afternoon during spring soccer action in the Madison County Girls' Soccer Association at Granite City, St. John's Field. By the way, the Pink Panthers won 2-0.

Bigham named new SIUE athletic director

"significant progress" has
been made in the women's
athletic program, with
Cougars teams qualifying for
national tournaments in
tennis, softball and field
hockey.
Last fall, the University
hosted the Division II
national field hockey tour-
nament. In addition, team
and individual athletes in
several other of the
University's 14 inter-
collegiate athletic
programs have qualified for
national competition.
Dr. Buck listed a number of
improvements in the
University's physical
facilities which have been
made under Bigham's
direction, including the
lighting on the soccer and
softball fields for night
events. Bigham also has
been instrumental in the
planning for the \$12-million

multi-purpose building, for
which construction bids are
scheduled to be opened April
2 in Springfield.

A native of Pinckneyville,
Bigham came to SIUE in
1968 to complete his master's
degree and to serve as
assistant basketball coach.
The following year he was
appointed to the faculty in
the department of health,
recreation and physical
education, and he continued
to assist with the basketball
program until 1975, when he
assumed responsibility for
the campus recreation and
intramural sports programs.
Before joining SIUE,
Bigham was a teacher and
head basketball coach at
Pinckneyville High School
from 1964 to 1968.
Previously, he had received
his bachelor's degree from
SIUE at Carbondale, where
he participated in three
NCAA post-season tour-
naments as a member of the
football team and set a
single game scoring record
of 37 points which stood for 12
years. His brother Wayne
Bigham is a well-known
Southern Illinois basketball
referee.

Baker is first

BLOOMINGTON — Plans
have changed for the Illinois
State track and field team
this weekend, according to
SIUE track coach John
Coughlan.
The team will travel
Saturday to Terre Haute,
Ind., for the 14-team Indiana
State Track and Field
Association championships
rather than going to an
originally scheduled
triangular meet with
Southeast Missouri and the
University of Missouri.
Coughlan said he decided to
go to the championships
for economic reasons.

"None of our guys will
have to miss class time,"
he said, "and it will be close
enough for us to reduce
costs."
Indiana State, which
finished third at the Missouri
Valley Conference indoor
track and field cham-
pionships four weeks ago, is
considered by Coughlan to be
one of the better teams in the
meet along with the Mason-
ixon Track and Field Club
from Louisville, Ky.

Although the Redbirds
were defeated 116-50 by
Southern Illinois University
last weekend, Coughlan
expects an improvement from
his squad this time
around.

"I think we're showing a
tremendous amount of
improvement as a team,"
Coughlan said. "I'll make a
prediction that next week,
we'll look like a good team
and the following week, we'll
look like an excellent team."
At last week's meet, senior
All-American Vince Davis of
Alton set a school outdoor
high jump record and also
qualified for the NCAA
national outdoor track meet
by jumping 7 feet 2 1/4 inches.
Other first place finishes
for SIUE were by junior Rusty
Bilbrack of East Alton in the
hammer (165-2) and junior
All-American Mike Baker of
Granite City (North) in the
5,000 meter run (14:59.84).

Hole-in-one scored

EDWARDSVILLE —
Granite Cityan Bob Maddox
made the second hole-in-one
here March 24 at Sunset Hills
Country Club.
Maddox scored the ace on
the 175-yard number eight
hole with a 4-iron. His first
hole-in-one came in 1967. The
first hole-in-one of the year
at Sunset Hills, it was wit-
nessed by Lee West, Charlie
Blankis, Ernie Karandjic
and John Panter.

It was a nice going away
present for Maddox, a
lifelong resident of Granite
City who will soon be moving
to Fort Collins, Colo.
FIVE ON FIVE —
Five former Illinois football
players have signed con-
tracts with the Chicago Fire-
nights as a member of the
Association summer pro
single game scoring record
of 37 points which stood for 12
years. His brother Wayne
Bigham is a well-known
Southern Illinois basketball
referee.

Trojans fall short at Dupo

DUPLO — The Madison
High boys track team ran out
of bodies and points here
Thursday and dropped a
duel meet to Dupo 79-67.
Because Trojan mainstays
Ray Price and Tyrone
Branch were absent with
injuries, Madison head
coach Charles Steptoe was
forced to maneuver some
runners around to different
events.

It didn't work.
The critical point was the
200 meter run. As expected,
Madison Richard Borney
won it (in a time of 23.34).
But Trojan Charles Fuller,
who had been pulled from
the mile relay team by
Steptoe in an effort to get a
second place in the 200
meter, finished third in 24.5.
Tom Johnson had a second-
place time of 23.8 seconds.
Fuller was third in 24.5.
"That was my biggest
boner of the day," said
Steptoe. "We needed a
second at that point. If we'd
hired gotten it, we would
have tied it."

Dupo was eight points
ahead of the Trojans going
into the 200 meter run. A
second in that event and a
victory in the mile relay (the
last event of the meet) and
Madison could pull it out. But

Dupo was able to beat the
Fuller-less Trojan mile relay
team in the mile relay. Even
if Fuller had been able to
finish second in the 200, his
team would have lost the
meet by two points.

In the mile relay, Dupo had
a winning time of 5:45.1.
Madison's was 5:49.1.
"We just ran out of people
at the end," said Steptoe.
"We had a chance to win it
with Fuller in there (the mile
relay). But a loss is a loss."
The Trojans also won the
400 meter relay, Darnell Dixon,
Shawn Brown and Richard
Borney ran it in a time of
4:56. The Trojans also won
the 800 meter relay, Tryone
Manzy, Brown and Bernard
Harper had a time of 1:28.8.
Borney of Madison was a
bright spot for his team. He
had three firsts and an-
dard the winning 400 meter
relay team. He won the 100
meter dash in 11.2 seconds.
Fuller was third in 11.5.
Borney also was first in the
400 meter run with a time of
52.47. Madison's Greg
Waters was third in 62.0.
Dixon of Madison had two
firsts. He won the 300 meter
low hurdles in 52.47 and the
triple jump with a leap of 40
feet, 4 inches. He was second
in the long jump at 18 feet, 3
inches. Trojan Elmer Collins
was third in the triple jump
at 36.5.

Madison's Bernard Harper
was the winner of the shot
put with a throw of 12.55
meters. John Latham was
second with a distance of
12.35 meters. John Lewis of
Madison won the high jump
with a leap of 5 feet, 10 in-
ches.
George Leonard of
Madison was second in the
300 meter run in a time of
2:23. Latham was second in
the discus, with a throw of
35.25 meters. Harper was
second in the pole vault with
a height of 2.59 meters.

Softball meeting

GRANITE CITY — The
Granite City Park District
will have an important
softball umpire's meeting
Monday, April 6, 7 p.m., at
the Nameoki Recreation
Center. The meeting is

recommended to all softball
managers and interested
players.
Ray Hoffman, softball
umpire supervisor, will
cover all aspects of the
softball rules.

Receives letter

MEXICO, Mo. — Cadet
Thomas Butler, son of Mr.
and Mrs. Ronald T. Butler of
1813 Spring Avenue, Granite
City, was awarded a varsity
letter in wrestling at the
winter sports banquet held
March 7, here at Missouri

Military Academy.
Missouri Military
Academy, founded in 1888,
is an independent college
preparatory school with an
international enrollment of
320 boys in grades 4 through
12.

Lions Club Run

HIGHLAND — The
Highland Lions Club will be
hosting their third annual 5-
Mile City Run on Sunday,
April 26 at 10:15 a.m.
The run, which begins and
ends in the downtown
Highland area, will be
broken into several age
brackets.
Brackets for men will be 18
and under, 19 through 29,
30 through 39, 40 through 49
and 50 and up. Brackets for
women will be 18 and under,

19 through 29, 30 through 39
and 40 and up. Special
trophies will be awarded to
the top three places of finish
in each age bracket.

Entry fee will be \$3 for
those registering early.
Entries received after April
18 will be \$4 per person and
\$10 for a family of four
members or more.

A registration desk will be
open at 8:30 a.m. on the
saturday on the plaza in
Highland on the day of the
race. Those wishing to
register early may obtain
registration blanks by
writing to register early may
obtain registration blanks by
writing to Al Holt, 1413
Lennon St., Highland, Ill.
62249.

Laura Kelly and George Kovach
Kovach-Kelly

The engagement and forthcoming marriage of Miss Laura A. Kelly and George J. Kovach are being announced by the bride-elect's parents, Everett C. Kelly and Mrs. Allene C. Kelly, both of Granite City.

Parents of the prospective bridegroom are Mr. and Mrs. John Kovach, 2612 Adams St.

Miss Kelly, a 1979 graduate of Granite City

High School South, attended Bauder College in Dallas, Tex.

She owns and operates Eddie's Package Liquors in Granite City.

Her fiancé graduated in 1975 from Granite City High School South. He is employed at Granite City Steel.

Plans are being made for a Sept. 12 wedding at Sacred Heart Catholic Church.

Circle meets in church parlors

Plans for a mission project and a fellowship event were discussed by members of the Love Circle who met Thursday in the parlors at Niedringhaus United Methodist Church.

Marie Klein, circle leader, presided over the business session and Dolores Allen offered the blessing.

"Sarah" was the topic of a lesson presented by Joanne Kraus from the series, "Women of the Bible."

May Fellowship Day, sponsored by Church Women United, will take place May 1 at St. John United Church of Christ, it was announced.

A total of 31 churches in the Quad-City area will be involved in the CWU's annual celebration.

Gladys Potillo led the Fellowship of the Least Coin service.

Hostesses were Mrs. Kraus and Lorelei Jennings. Other attending were Esther Traylor, Ida Cariss, Jan Kohl, Dorothy Whitmer, Dorothy Allen, Irene Kenner, Mary Miller, Sharon Shaffer, Golda Boyle and Geneva Miller.

From The Desk
of
Robert G. Gibson

President

To 4th Ward Voters:
I am writing to enlist your support for my sister, Sharon Perjak, who is a candidate for Alderman to represent the Fourth Ward.

She has lived in the Fourth Ward throughout most of her adult life and has been active in helping the community in many ways. Sharon has exhibited the political and social skills necessary to get things done in the Granite City Council. Her election last year as Precinct Committeewoman was the result of the confidence placed in her by her neighbors.

Sharon has the desire and ability to listen to the problems of the people in her area and the skill to bring these matters to the proper councils of government for solution.

Her civic and political experience plus her integrity and dedication to service of people qualify Sharon to represent you in the City Council.

I hope that you and the other voting members of your family will VOTE FOR SHARON PERJAK ON TUESDAY, APRIL 7.

We concur with the above remarks and wholeheartedly endorse Sharon Perjak for Alderwoman — 4th Ward: William (Bill) Harrison, Wade Campbell, Sandy Pence, V. Robert Matosion.

Sincerely yours,

Sharon's Brother
Bob Gibson

Bill Harrison, Chairman

Sunrise service planned

Easter sunrise service will be celebrated with a Mass at 5:30 a.m. Sunday, April 19, at St. Elizabeth Catholic Church, 2301 Pontoon Road.

Plans call for an outside celebration, weather permitting.

In the event of bad weather, the service will move indoors.

"All are invited to join St. Elizabeth parish for this celebration of Easter," a spokesman said. "Due to the 5:30 a.m. Mass, There will be no 11 a.m. service on Easter Sunday."

Honored at baby shower

Mrs. Karen Schwierjohn of Granite City was honored last week at a baby shower and afternoon tea given by Barb Poznanski and Patsy Williams at the latter's home, 3839 John Glenn Drive.

Games were played for entertainment. The tea table was attractively appointed in a teddy bear motif.

Among the guests were Glynis Davis and Kim, Alberta Fritzsche, Carol Schwierjohn, Kathy, Annie and Joann Pieper, Bert Bittner, Susie Hughes, Linda Whitaker, Linda Ohlendorf, Cindy Boyd, Karen Hamilton and Chris Williams.

Debra Doty
Seka-Doty

Mr. and Mrs. Bert Doty, 2470 Center St., announce the betrothal and forthcoming wedding of their daughter, Miss Debra Doty to William G. Seka Jr.

Parents of the prospective groom, Mr. and Mrs. William G. Seka Sr., reside at 2328 Cardinal Ave.

Miss Doty is employed as a

beautician at Chong's Beauty Shop and is a 1976 graduate of South High School.

Her fiancé is currently employed at Taracor Industries.

The engaged couple plan to be married on May 9 at the First United Presbyterian Church.

Flores-Reeves

Miss Sherri Reeves, formerly of Granite City, and Ramon Flores were united in marriage on Feb. 17, in ceremonies held in Los Angeles, Calif.

The bride is the daughter of Mr. and Mrs. Coy A.

Reeves, 2908 Forest Ave., and she attended Granite City Schools.

The newlywed couple is at home in California where the groom operates a nursery and the former Miss Reeves is a beach ranger.

Name first child Brooke

Mr. and Mrs. Edward Streicher Jr., 2800 National Ave., are the parents of their first child, a daughter, born March 19 at St. Elizabeth Medical Center.

The infant, who is the fifth generation on the maternal side, has been named Brooke Marie. She weighed six pounds, seven ounces.

The mother is the former Cheryl Lewis, daughter of Mr. and Mrs. Walter Lewis of Granite City.

Paternal grandparents are Betty Courtright of Granite City and Edward Streicher Sr. of Gurnee, Ill.

Mr. and Mrs. Lloyd L. Lewis and Mrs. Lorene Modlin, all of Granite City, are the maternal great-grandparents, and Mrs. Vivian Courtright of Granite City and Mrs. Rose Streicher of Gurnee, Ill., are the paternal great-grandmothers.

Mrs. Maude Modlin and Vernon Vincent, both of Anna, Ill., are the maternal great-great-grandparents.

She is a registered nurse, employed at St. Elizabeth Medical Center.

Her fiancé, a graduate of Gillespie High School, is employed at Combustion Engineering in St. Louis. He also is attending St. Louis Tech, studying drafting.

Hemerocallis society formed

The newly formed Southwestern Illinois Hemerocallis Society met last week in the home of Alvin and Elsie LeBeque in Troy.

Eighteen attended. The group is the first to be organized in the Illinois region of the bi-state metropolitan area for growers of various species of day lilies.

LeBeque, president, was in charge and welcomed five new members—Mr. and Mrs. Paul Freeman of Granite City, Mr. and Mrs. Richard C. Berry of Jerseyville and Mrs. Rita Kinsella of Fairview Heights.

Plans were made for the society's display at the Famous-Barr store in

Fairview Heights, scheduled June 28.

A social hour followed the business session.

Virgil and Dorothea Kirksey, 2126 Waterman Ave., invited the group to meet at their home on May 8.

News notes

St. Clair County Circuit Judge David Costello on Thursday denied an injunction that would have barred delivery of 43 patrol cars to the Madison County sheriff's staff this month by Four Flags Motors of Glen Carbon. The ban had been sought by Ackerman Buick of St. Louis county, claiming it had a valid contract to provide the autos.

The Belleville Area College board will meet at 8 p.m. Wednesday in BAC Room 1410 to consider actions to further its presidential search.

An advertisement on Page 3 Thursday said Mayor Schuler had been endorsed for re-election by the Carpenters District Council of Madison County and Vicinity. A spokesman for the District Council said Friday there has been no endorsement.

Paula Case, Granite City municipal air pollution official, will be technical chairman for an Air Pollution Control Association conference tomorrow through Thursday at Stouffer's Riverfront Towers. Hosted by the Greater St. Louis APCA Section and sponsored by the Aluminum Association, American Meteorological Society and U. S. Environmental Protection Agency, the meeting will deal with dispersion modeling from complex sources. Control equipment and related instrumentation will be exhibited.

The Illinois House and Commerce Committee passed 9-7 last week a bill to decrease weekly unemployment compensation benefits to \$113 regardless of whether a person in single, has a dependent spouse, or has children. Current jobless benefits are \$142, \$172 and \$189, respectively.

The Illinois Senate

Judiciary II Committee in a 5-4 vote last week approved legislation to ban sale or possession of handguns by all but policemen and sport club members.

A bill introduced at Springfield would increase the Bi-State bus subsidy from 2-32nds of the Madison, St. Clair and Monroe counties sales tax to the same level as all other Downstate bus systems—one-third of the actual operating expenses of the system in Illinois for the previous fiscal year, plus 10 percent.

Inflation rose 1.3 percent in March, a yearly rate of slightly over 16 percent.

The governor's plan to tax oil products to help finance road improvements and Chicago area transit was killed by legislators Friday. He is preparing a new transportation proposal.

Illinois' unemployment rose from 8.3 percent in February to 9 percent in March 1981.

A federal grant to buy land south of Eads Bridge for a \$12 million riverfront promenade, proposed by East St. Louis city officials, appears unlikely.

St. Louis County Executive Gene McNary is pushing for creation of a port at Columbia Bottoms, the confluence of the Missouri and Mississippi rivers.

A circular distributed during the weekend is being assailed for lacking the legally required organization and name is "labor donated" but showing no evidence of union printing. Containing a full-color cartoon of Granite City Supervisor Nelson Hagauer and his wife, the pre-election circular seeks to encourage votes against him.

HOT OFF THE PRESS. The Press-Record's Goss Urbanite presses loom above Felicia Robertson, a student at Granite City High School North, left, and Pat Foley, Press-Record photographer, as they glance at one of the first copies to be printed in a run. Miss Robertson spent some time at the local newspaper as part of a career education program. She hopes to become a reporter or editor. Twenty-five students from both Granite City high schools were guests of 25 different business firms in the community. In the foreground is a Baldwin Count-O-Veyor, which stacks and counts papers as the come off the press.

Illinois Civil Defense director views damage

Erie Jones, Illinois director of the Emergency Services and Disaster Agency (ESDA, formerly Civil Defense), visited Granite City and Edwardsville yesterday afternoon and evening to determine

whether damage from Friday night's tornado qualifies for designation of the county as a federal disaster area.

The determination will have to be made by federal authorities, but Jones said his examination was on the request of Governor James Thompson, who is seeking the disaster designation for Madison County.

Damage is estimated in the millions of dollars and designation as a disaster area could qualify homeowners and businesses whose homes and buildings were damaged or destroyed for low-interest loans to rebuild.

State Sen. Sam Vadalabene (D-Edwardsville) said this morning that he is in Washington, D.C., on other governmental business and talked to Jones by telephone at 9:10 a.m. today.

He said Jones related his visit to the heavily-damaged Glenview area in Granite City and to Edwardsville and is compiling the data necessary to determine whether the county should be declared a disaster area.

He said Edwardsville appears to have sustained greater damage than Granite City, but he is considering a county-wide emergency designation.

Small Business Administration subsidized interest loans of about 5 percent also may be sought and Jones said he is checking into other aid programs for Madison County.

Last night, his agency provided Edwardsville with

generators and sent two engineers to work with the city to determine if damaged buildings are structurally safe, including the Wilde Theater, where about 200 persons escaped serious injury during the storm.

ESDA personnel are putting up placards to identify unsafe buildings and erecting fencing to secure areas determined as hazardous, Jones told Vadalabene.

He also met with Edwardsville City officials and asked county ESDA officials to provide ongoing technical advice and support. Jones pledged to continue to work with city and county officials and have given them a 24-hour-a-day contact, if they need additional help.

HURT ON ROUTE 162
Leslie Kee, 17, of 2566 Ivy Lane, struck her forehead and nose on the windshield of her eastbound auto when it went out of control, jumped the curb and traveled about 200 feet before hitting a fence of Route 162 at Alexander Avenue at 6:40 a.m. Saturday. She was taken to St. Elizabeth Medical Center where she was treated for a bloody nose and was released. She said she may have fallen asleep at the wheel.

Pre-election statement by Mrs. Sasyk

Mrs. Winnie Sasyk has a preference in tomorrow's Madison city voting—her husband, Mayor Mike Sasyk, who is seeking re-election.

In a pre-election statement, she commented that "his concern is not just the city and business, but the people, who are the heart of the community."

"Not only as mayor, but as any friend would do, he involves himself with their personal problems, joys or grief; he is a man of great integrity, understanding and capabilities, a humanitarian in every sense of the word."

"His trademark is a smile, combined with positive thinking; he believes not only that something can be accomplished, but will be. He has given great, stable leadership to this city."

"His individuality stands out in a crowd. He com-

mands attention not only in Madison but throughout Madison County. His word is his bond. He stresses loyalty above all to those who work with him, and he has the determination to finish every project he undertakes."

"A man of strong convictions, he reads constantly and is well versed on many subjects. He has maintained high standards, and demands much of himself. He encourages people to go on, no matter what obstacle confronts them."

"Without question, he is the most qualified candidate. Those who do not vote for him will do themselves an injustice."

\$2,225 THEFT CASE
Items valued at approximately \$2,225 were stolen from the garage of Leroy Hallows, 2834 Palmer Ave., between 10 p.m. Friday and 5:55 a.m. Saturday. A lock was pried from the garage door. Missing are a roto-tiller, two tool boxes and tools, a tackle box and fishing gear.

Criminal justice curricula under study

By JOAN MURARO
SPRINGFIELD — In the early '60s, police activities nationwide came under public scrutiny, resulting in a "law and order" presidential campaign in 1964 and a spurt of criminal justice courses around the state, both in community colleges and public and private universities and colleges.

To assist what was seen as

a move toward professionalization of law enforcement personnel, the Law Enforcement Assistance Administration (LEAA) was created under the Omnibus Crime Control and Safe Streets Act of 1968. In the next year, the Law Enforcement Education Program (LEEP) was established to provide educational grants or loans to students pursuing careers in

the criminal justice system. Between '69 and '79, 903,324 persons shared \$370 million in grants or loans under the program nationwide, to a peak of 113,119 recipients sharing a \$40 million appropriation in 1974.

Now, funding for the LEAA program has been drastically cut, radically changing the program's operation, and no federal ap-

propriations for fiscal '80 were made for the LEEP activities. With the drying up of these sources the Illinois Board of Higher Education has completed a study of criminal justice programs in the state to consider, among other things, how much the state programs depended on these federal funds, and whether the state should replace the vanished federal dollars. Final recommendations are expected to be presented to the board at its May meeting.

The study done by the board reflects some wide discrepancies in the state's many criminal justice studies programs. Nationwide, the number of such programs shot up by a minimum of 500 percent during the period from 1966 to 1980. In 1966, there were 152 associate degree programs in criminal justice being offered in the nation. By 1980, it had risen to 1,209. Baccalaureate programs rose from 39 to 589 in the same period, while masters programs swelled from only

14 in 1966 to 198 in 1980. Even doctoral programs reflected the trend, growing from four to 24.

Between 1970 and 1980, the number of Illinois schools offering certificates in criminal justice rose from 11 to 63, with 61 of them state community colleges. Presently, all 39 community college districts in the state offer criminal justice programs, leading to 58 varied associate degree programs and 61 certificate programs.

At the community college level, 10 new programs are planned in the criminal justice area, with 18 existing programs scheduled for improvement, expansion or both, while one occupational degree program and one certificate program are slated for reduction or elimination.

On a basis of declining enrollments, rising costs and other factors, the board's position is that there is no need for further program expansion. In fact, some consideration should be given to eliminating programs where enrollments and costs do not justify the continuing schools with multiple criminal justice programs are urged to consider consolidation of some program offerings.

To encourage more students to go from the community college criminal justice programs with their occupational emphasis, to higher education facilities with emphasis on more traditional degree work, the schools at both levels are urged to continue, and expand, their efforts to ease the transfer of qualified students from community colleges to senior institutions, a transfer which is now often impeded by difficulties in getting credit at the higher institution for courses taken at the community college, or for in-training seminars and other in-service experiences by students.

Among the private and public universities and colleges in northeastern Illinois which offer criminal justice programs are Aurora College, which offers bachelor degrees in criminal justice and criminal justice management, Governors State University which offers bachelor's and master's degrees in public service and a bachelor program in human justice, and Lewis University, which offers both bachelor and master degrees in social justice.

In the community college programs, the College of DuPage offers a certificate and an Associate of Applied Science (AAS) program in criminal justice, while Elgin Community College offers certificate programs in group home care and juvenile corrections, and AAS programs in juvenile corrections and child and youth advocacy. William Rainey Harper College offers certificates in criminal justice and in industrial and retail security, and an AAS program in criminal justice. At Joliet Junior College there are AAS programs in corrections and law enforcement and a certificate program in law enforcement, while McHenry County College offers both certificate and AAS programs in police sciences. Triton College offers an AAS program in police science administration, and certificate programs in police science administration, corrections and private security.

lished at a private institution, all to be implemented within the next five years. The programs would include two proposed programs leading to Ph.D.s.

Because of the number and diversity of existing programs, and the drop in student enrollments, the board is questioning the need for developing these new programs, and particularly challenges the need for the two Ph.D. programs for Illinois, since there are only a total of 24 such doctoral programs in the nation.

At the community college level, 10 new programs are planned in the criminal justice area, with 18 existing programs scheduled for improvement, expansion or both, while one occupational degree program and one certificate program are slated for reduction or elimination.

On a basis of declining enrollments, rising costs and other factors, the board's position is that there is no need for further program expansion. In fact, some consideration should be given to eliminating programs where enrollments and costs do not justify the continuing schools with multiple criminal justice programs are urged to consider consolidation of some program offerings.

To encourage more students to go from the community college criminal justice programs with their occupational emphasis, to higher education facilities with emphasis on more traditional degree work, the schools at both levels are urged to continue, and expand, their efforts to ease the transfer of qualified students from community colleges to senior institutions, a transfer which is now often impeded by difficulties in getting credit at the higher institution for courses taken at the community college, or for in-training seminars and other in-service experiences by students.

William Rainey Harper College offers certificates in criminal justice and in industrial and retail security, and an AAS program in criminal justice. At Joliet Junior College there are AAS programs in corrections and law enforcement and a certificate program in law enforcement, while McHenry County College offers both certificate and AAS programs in police sciences. Triton College offers an AAS program in police science administration, and certificate programs in police science administration, corrections and private security.

Blair undecided on election plans

By RAY SERATI

SPRINGFIELD — Former House Speaker W. Robert Blair says he has not made a final decision as to whether he will run in the 1982 Republican primary for attorney general or secretary of state.

Blair, who now lives in Crete, let it be known at a recent gathering of GOP county chairmen, that he was definitely interested in the possibility of running for one of the two offices in the 1982 primary election.

"There has been no decision as yet," Blair told Copy News Service in a telephone interview.

Blair points out that the two offices are not presently held by elected officeholders.

Tyrone Fahner was appointed to the post last summer by Gov. James R. Thompson, after then-Attorney General William Scott stepped aside while his income tax case was being appealed. Then in November, Thompson appointed one of his top aides, Jim Edgar, as secretary of state after then-incumbent Secretary of State Alan J. Dixon, a Democrat, was elected to the U.S. Senate.

"I haven't closed the door on running for either of those two offices," Blair said.

At the present time, both Fahner and Edgar have indicated that they plan to run for the jobs next year. In about 10 months candidates for the state offices as well as the General Assembly will be securing signatures for nominating petitions. This is the first step to get on the ballot for the March 1982 primary election.

In the 1978 primary election, Blair carried 66 of the state's 102 counties in narrowly losing the GOP nomination for comptroller to John Castle of DeKalb County, then lost to Democrat Roland Burris of Chicago in the general election.

In that primary election, Thompson supported Castle, but Blair managed to get the support of county chairmen and other local party workers.

There have been some Republicanism, hoping that Blair might consider seeking the state treasurer's nomination. This, they point out, would give the appearance of a unified Republican ticket. They are also hoping that if Blair

would go for the state treasurer's post, it would mean that John Duley of Peoria might back off on entering the race for treasurer. Daily was a top aide to former Gov. Richard B. Ogilvie.

Blair also said he has still not closed the door on the possibility of serving as U.S. attorney in Chicago. Blair, who served five terms in the House, two as speaker, has discussed the possible appointment with U.S. Sen. Charles H. Percy's Washington staff. However, to date no action has been taken on the appointment and it is anticipated that it could be summer before someone is named to the post.

YOUNG MAN STABBED

Larry Pruitt, 20, of 1511 Second St., Madison, suffered a stab wound to his left shoulder in an confrontation with two men in a car in the 1600 block of Second Street in Madison at 4 a.m. Sunday. Pruitt, a white, said two black men in a car yelled a racial remark at him and he yelled back at them. The men then got out of the car and Pruitt ran, but they caught him, stabbed him and drove away. Pruitt did not realize he was seriously injured and went home to rest. A relative found him and took him to St. Elizabeth Medical Center where he was released after treatment.

New conservation machine

The Add-On Heat Pump

It uses free outdoor air to help save energy all year 'round

The compact new add-on heat pump can be an important energy supplement to any forced-air heating system.

If you're planning to install central air conditioning, or to replace or convert your present forced air heating system, look into the new Add-On Heat Pump. Our Energy Use Advisor has details.

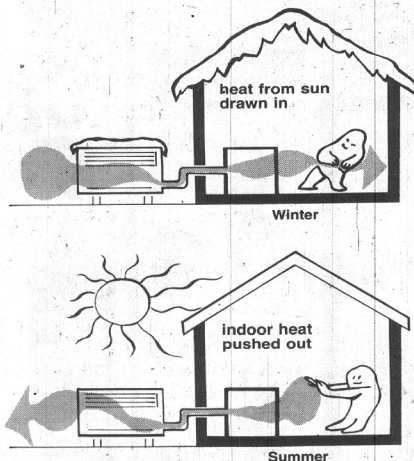

In Winter

The Add-On Heat Pump can provide up to two units of heat energy for every one unit of electrical energy, down to about 30° F., at which time it shuts off and your furnace takes over.

In Summer

During the warmer months, the heat pump operates just like any other central air conditioning system—it extracts heat from inside of your home, removes it to the outside—providing you with cool, dehumidified air. Because the Add-On Heat Pump can be fully automatic, it switches to the cooling mode whenever the temperature rises.

For more information on energy-saving ideas, ask our Energy Use Advisor.

Letters to the Editor...

Competent investigation; charge was refused by county—Bridick

To the Editor:

In response to the letter "Unhappy With Follow-Up on Crime," I would like the people of our community to know the facts surrounding the incident that occurred March 19 at the G & G Car Wash.

The letter stated she wanted the people of Madison to see how officials play games with certain people, and ruled there was not enough evidence to prosecute on a burglary charge. The officials of Madison do not and cannot make this determination; this is done by the office of the state's attorney.

The police department received a call at 1:42 a.m. stating she received an alarm at her residence from the car wash. She, in her letter, stated she received the phone alarm at 1:15 a.m. The alarm system at G & G is the only one in Madison that is not installed, maintained or directly hooked up to the police department alarm board. This is her decision to have this alarm system.

The alarm system is a "dialer" which dials designated telephone numbers and plays a recorded message stating the nature of the problem and location. The recorded message ties up the telephone line of the car wash and the telephone it dials until the recording has completely played through. It was alleged that the dialer alarm was set to call the residence and the police department. It is not known why the department did not receive a direct phone call on the alarm.

Considering all the above, the officers who responded must be commended on the response time, which was less than three minutes from when the call was received and an arrest was made.

When Officers Marsala and Asperger arrived, they confronted a suspect walking from the area of the car wash in an intoxicated condition. The suspect was asked for identification and produced same.

He then accompanied the officers back to the car wash and, at this time, it was determined the car wash had been entered. The suspect voluntarily admitted to the officers that he was in the car wash and at this time was placed under arrest.

He then became abusive and force was used to effect the arrest. During this time, one of the officers sustained injuries and had to be taken to the local hospital for treatment and X-rays.

This is the type of professional police officer which we have, who shows concern for the property owners of the City of Madison and less concern for his own safety, regardless of who the owner of the property is.

The suspect was brought to the police station and booked in. During the booking process, his personal property was removed and he, in fact, did have nickles

and dimes in his pocket.

The total amount he had was two dimes and one nickel, a ten dollar bill and three one dollar bills. She stated she had approximately \$13 in change missing.

The subject was charged with resisting arrest, three counts of battery, and investigation of burglary pending application for a warrant from the state's attorney's office.

The following morning, the suspect was advised of his rights and gave the statement that he had been drinking heavily the prior night and was attempting to drive his car, which had gotten two flat tires, and had stopped the car on Madison Avenue across from what he thought was a service station.

The suspect stated he walked across the street to the office of the service station, where he found the door unlocked. He stated he entered the office and found no one there.

He picked up the phone to call for help and heard what he thought was a recording reporting a burglary in progress.

On type of an alarm, a recording on the phone can be heard if the receiver is picked up.

This is one of the reasons the City of Madison has installed the silent alarm system direct to the Madison police station.

The suspect stated he then left the office and was going back to his car when the police arrived. He informed the officers he had been in the building, and accompanied the officers back to the building. At this time, he stated, he was placed under arrest and became abusive for being unjustly arrested and he resisted arrest.

The officers who responded to the burglary, being professional officers and using good discretion, did not call for the detective for the following reasons: (1) Not because anyone is "against the city," (2) Why take fingerprints of a burglary scene when the suspect is apprehended and has given a statement?

(3) If the officers thought this was necessary, they themselves are capable of conducting a crime scene investigation, and would have taken fingerprints and photos.

The following facts were presented to the state's attorney's office and a warrant charging burglary was applied for.

A burglary charge cannot be filed by a police department if evidence must first be presented.

Officers responded to the scene of the burglary, the suspect was apprehended and arrested.

Defendant admitted being in the office of the car wash but denied taking anything. The officer stated the vehicle used and the area were searched without finding any change or any instrument which might have been used

to pry the door of the car wash.

The suspect's automobile did, in fact, have two flat tires and was towed to a garage.

The state's attorney's office, after hearing the facts, stated that because the officer on the scene could find no real physical evidence of forced entry, the light was on in the office, no evidence of fruits of crime were found in the possession of the defendant, on his person or in his auto, the defendant's voluntary admission to being in the office and his explanation were not enough evidence to convict on the charge of burglary or

trespassing.

The state's attorney's office asked if there was any information as to additional evidence being available in the future, such as eyewitness, and was advised there was none at this time.

Relating the above fact, it is quite evident that neither the police department or city administration has the final disposition.

I am quite confident that incidents such as this happen in other communities and the community is not at fault.

In response to leaving the G & G Car Wash door open, I would like to say that this has been done by accident at other places of business in

Madison.

The professional personnel which the police department has, and the concern which they have for the property owners, are shown by the nightly checks of business places. During these checks, they have found doors open and have called the owners of the business to secure their buildings.

The owner called me after the burglary and asked what had happened on the burglary charge. She was informed that the state's attorney declined prosecution on the offense.

She then called back and wanted to know the name of the attorney that handled the

case and she was informed of his name.

I feel that all that has been related surrounding the incident reveals that it is quite evident this is not "political strings" used to deny the warrant application.

The investigation was conducted by a competent, concerned, professional detective and police officers, which I am proud to be in command of, and a warrant was refused by the office of the state's attorney.

DONALD L. BRIDICK, Chief of Police City of Madison

MARIJUANA ARREST

Robert L. Poarch, 20, of 1928 Adams St., was arrested in the 1700 block of Cleveland Boulevard at 2:20 p.m. Friday and was charged with unlawful possession of cannabis in a state complaint. Police, looking for another man in that block, noticed that Poarch's pocket appeared full and when they questioned him, they found a plastic bag in the pocket containing about 30 grams of marijuana.

Honor for Essington

Richard G. Essington, special representative in Madison for the Franklin Life Insurance Company, Springfield, Ill., has qualified for one of the company's top sales awards, according to Franklin President William J. Alley, C.L.U.

Alley stated that Essington qualified for membership in Franklin's Key Club, comprising a select group of company associates who

produce high personal sales within a 6-day period.

In recognition of Essington's exceptional industry achievements, he will be featured in the Franklin Field, the company's national publication.

RISE IN STATE JOBS

State Comptroller Roland W. Burris reported Thursday there were 119,842 state employees in February, an increase of 1,754 over the previous month, resulting from the hiring of staff, student workers and others in the state university system.

\$46 CASH TAKEN
Ray Geun, 2819 E. 25th St., discovered Friday morning that \$46 had been taken from under his pillow. There were no signs of forced entry.

Centralize youth service programs

Governor James R. Thompson signed an executive order last week transferring a number of services that affect youth from several agencies in state government to a single department — the Department of Children and Family Services (DCFS).

He also signed a second executive order transferring the function of the Office of Fiscal Management, Risk Management, in the Department of Administrative Services to the Department or Personnel.

"These reorganizations continue the commitment of this administration to streamline government and make it easier for government to respond to the needs of the public we serve," the governor said.

"With the amount of financial aid we receive from the federal government, thinking, it is more critical than ever that we do not overlap and spend money on duplicative services, but provide the most efficient and effective services possible."

The services will be coordinated under a new division within DCFS to be called the Division of Youth Services.

Although the order does not transfer the youth services provided by the Illinois Dangerous Drugs Commission, the commission will provide funds to DCFS to establish a model youth drug abuse program to be incorporated in the new Youth Division.

"THE CARPENTERS' DISTRICT COUNCIL OF MADISON COUNTY AND VICINITY, ILLINOIS HAS NOT ENDORSED ANY CANDIDATE FOR MAYOR IN THE GRANITE CITY ELECTION ON TUES. APR. 7, 1981!"

1st Ward
VENICE

YOUR VOTE COUNTS

A survey conducted by our campaign staff shows that this election will be extremely close.

These are the results of our March 31, 1981 survey:

Partney	30%
Schuler	24%
Decatur	7%
Undecided	39%

Our survey contacted 850 registered voters, at random throughout the entire city, who plan on voting. Our poll is validated by Terry Jones, President of Community Consultants, Inc., and author of the book **Conducting Political Research**. Mr. Jones has done polling for U.S. Congressman Robert Young, U.S. Congresssman Richard Gephardt, St. Louis Treasurer Paul Berra, and former U.S. Senator Birch Bayh. Mr. Jones has stated that our survey has an error potential of plus or minus 3½% with a 95% certainty factor. In Mr. Jones opinion, **"This election for Mayor is too close to call."**

THIS MEANS . . .

**IF YOU VOTE
AND THE TURNOUT IS HIGH, PARTNEY WINS.**

**IF YOU DON'T VOTE
AND THE TURNOUT IS LOW, SCHULER WINS.**

The Choice Is Yours!!

Big investment reflects faith in GC Steel's future markets; local plant had best 1980 cost improvement

Condensed from "The Mill" at Granite City Steel—Howard M. Love, National Steel Corporation president and chief executive officer, speaking at the GC Steel Management Club annual "Top management night" meeting in March, said the corporation has demonstrated great faith in the future markets and in the future profitability of Granite City Steel.

"We didn't just stick money out of a hat when we decided to put the majority of our capital spending over the past few years into Granite City Steel," Love said.

"The new continuous slabs caster, combined with the conversion of the basic oxygen furnaces, will make GC Steel a technology showcase."

"We all know what a tough year 1980 was for the industry. But despite these difficult times, Granite City has made the best out of what could have been a disastrous year. You can be proud of that kind of performance."

He presented National Steel's 1980 cost improvement awards—a plaque and banner—to GC Steel for best performance among the steel divisions. Accepting the awards was President James Stack.

Love said, "The excellent 1980 cost improvement, particularly here, has moved the company closer to our goal of becoming the low-cost producer for steel in the nation."

"(At National Steel) I believe we are over the worst. We have emerged from the difficult times of 1980 a leaner and wiser team. We all recognize we can't just sit around and hope for the boom years. We have to make money in all of our businesses, year after year, based on efficient operating rates that reflect the immediate market conditions."

"We must improve profitability. We have to execute strategies and programs that will produce next week, next month and next year."

+++++

Continuous casting is a method by which hot metal is turned into a continuous ribbon of solid steel. Molten steel's first solid form thus is a slab, rather than an ingot, bypassing the traditional ingot sequence. Granite City Steel now has a completely new way of producing steel slabs directly from molten steel.

The first ladle of caster steel was moved in place at 1:38 a.m. March 2. About half an hour later, the first continuous cast slab appeared at floor level, moving down the runout table. Spectators reported enthusiastically that the first slab seemed to be perfectly flat and square, with a good surface.

Although the tired crews were given a break from production the following day, the machine was started on March 3 and has been operating smoothly ever since.

The significance for plant operations is enormous. Blast furnace iron production can proceed at full speed now that the previous bottlenecks at the basic oxygen furnaces (BOF) mold yard and at the blooming mill—which had to handle every pound of steel produced previously—are minimized. Cast slabs go directly to the Hot Strip for rolling.

Dallas was an effective alderman

To the Editor:

With reference to your editorial endorsement on March 30 of William "Bill" Dallas as alderman of the 14th Ward, and particularly in reference to the letter submitted by the three families of Ward One endorsing one of Mr. Dallas' opponents on April 2, I would like to first say that I think you did a good job for the Press-Record for the endorsement.

Secondly, I would like to answer those families who are opposed to Bill Dallas and who are also campaign workers of Mr. Skubish. Yes, Bill Dallas did serve as an alderman for 14 years, but only eight of those years were spent in what is now the present Ward One.

Originally, Ward One encompassed the Tri-City Park area. It was not until 1969, when all the wards of the city were redistricted, that Mr. Dallas acquired the area that is now known as Ward One.

Speaking of him being defeated because the residents were tired of or dissatisfied with his service, I might note that Mr. Dallas ran against Mr. Skubish, the incumbent alderman at the time of redistricting, and defeated him.

Were the voters of Ward One dissatisfied with Mr. Skubish's performance?

Was this the reason he was defeated?

It is really amazing that many people in several

neighborhoods contend they never saw Dallas in the entire 14-year period, since he wasn't their alderman for the entire 14-year period; Mr. Skubish was.

Are these people confused as to who they never saw?

If Mr. Dallas never did his job, why then was his family always receiving calls from residents of the ward asking for help and then later receiving calls of thanks for a job well-done?

Mr. Dallas even had a reputation of helping residents of other wards.

Never during Mr. Dallas' campaign trips did I hear anyone say that he was a fraud or that he knew could never be kept.

As to the so-called promises he made while campaigning in the Kirkpatrick Homes project, the getting of fire escapes within 30 days, Mr. Dallas was approached by the residents of the project seeking help to make the project better and safer place to live.

Was it wrong for Mr. Dallas to say that he would contact the federal government for help? Mr. Dallas has always maintained that the project was a federal project and up to the federal government to maintain.

Shame on this opponent for going through the project, distorting what Mr. Dallas actually said.

As Mr. Dallas' campaign literature states, he has

never "knocked" or said bad things about his opponents, and he never will. Too bad this opponent doesn't follow the same consideration.

To those people in Ward One who have voted for Mr. Dallas in the past, I ask that you support him again.

To those newly registered voters or voters new to Ward One, I ask that you give him the same consideration.

And to those of you who have never voted for or who will never vote for William "Bill" Dallas, you don't know what you are missing. Let's elect a good alderman. Let's put the red hot issue on the City Council.

TALKS ON TRACING FAMILIES IN COUNTRY

The Madison County Genealogical Society will meet at 7 p.m., Thursday, April 9, at First Federal Savings and Loan, 800 St. Louis Ave., Edwardsville.

The two guest speakers, Nancy Gaultage and Margaret Mainer from the Madison County recorder's office, will speak on "Tracing Your Roots Using Local Land Records." Refreshments will be served.

OFF GOLD

On April 19, 1933, the United States dropped the gold standard as a base for its currency.

5 officials are highly respected

To the Editor:

I managed boys' and young men's softball teams from 1935 to 1954. I also assisted with a girls' softball team and young men's basketball team.

Three young men who I had the privilege of playing for were among the best sports I ever managed, playing hard but clean, "big" about it when we lost, always fair and open-minded on and off the playing field.

These young men were great guys and grew up to be well-respected citizens.

Two others I am writing about are also old-timers in Granite City. Although they didn't play any sports, they were very active in support of civic programs for our youth.

I was personally acquainted with their fathers, mothers, brothers and sisters.

I would be remiss if I did not say their families had a very important part in moving our city forward. They were then and are now a credit to our city.

The families are the Stevens and Petrillo.

A. L. "PETE" METCALF

Inaction until just before election

To the Editor:

As the current campaign draws to the final hours, April 7 becomes "D-Day" or "Decision Day." We are electing aldermen and most city officials.

Readers, when you make that decision, stop and look at what has and has not happened throughout this city, and up your own ward.

It took one citizen 1½ years and the election to get to action on a variety of violations in a trailer park—violations that are unreal in this "current well-functioning administration."

You have an administration that hasn't got guts enough to stand straight and tackle current problems because they could be harmful on election day. It doesn't make any difference if they would help us or not.

Two examples are the

Madison yard signs misleading

To the Editor:

The voters in the city of Madison are being misled by yard signs displayed by supporters of Mayor Mike Sasyk. The signs are imprinted with the words: Re-Elect Sasyk Mayor, under which is printed: VOTE 23 99.

These two numbers refer to ballot punch card numbers 23 and 99. I believe that this implies that a voter can—or could, or should, or can choose either in order to—punch to cast a vote for Sasyk.

This is misleading since No. 23 is for the city Citizens Improvement Party, a ticket headed by Sasyk for city offices, while No. 99 is a Venice Township ticket, the

Progress Party, headed by incumbent supervisor Christ Paschoff.

The signs do not say, Re-Elect Sasyk Mayor, Paschoff Supervisor, just Re-Elect Sasyk Mayor.

Why do these signs carry the punch card number 99? Deceitful politics.

Why does the Madison city campaign literature have the number 99 when there is no reference to the township in the literature? Deceiving the voters, especially when it concerns their greatest privilege in this great democracy, is simply disgusting.

When will even a semblance of wholesome politics ever be restored to the city of Madison?

DISGUSTED VOTER

Moat serves his area

To the Editor:

How many men do you know who will walk his area, personally handling out tax reduction forms?

He is someone who keeps informed about the new people coming into the neighborhood, so he can help them learn the area and be a friend.

He is a man who really cares. Readers, if you care,

families. Better people never existed.

Bob Stevens is the son of a former longtime city clerk and his wife, Mr. and Mrs. A. Stevens.

Nick Petrillo is the son of Mr. and Mrs. Tony Petrillo. The three boys I managed then were Paul Schuler, "Nellie" Hagnauer and Von De Cruse.

For the sake of brevity, my friends, neighbors and many undecided voters, may I plead with you to cast your votes for five of the best qualified, fair, open-minded men?

Their doors are always open to the public to listen to people's problems, and each of them will help in any way they can.

Readers, please - do yourself a favor and vote for Paul Schuler for mayor, Nelson Hagnauer for treasurer, Bob Stevens for clerk and Von De Cruse for assessor.

Don't be misled, my friends. But whatever you do, please vote. It's your priceless privilege.

A. L. "PETE" METCALF

Whitmer defends city ambulances

To the Editor:

I realize that election time is near, and I realize that candidates tend to exaggerate the issues.

One might tend to pass it off as a sign of election fever and let it go at that.

But guess a person can stomach just so much until he gets his belly full, and then he has to speak out. I must have reached that point, because here I go:

To tell my story, I have to go back over four years ago. At that time, the Thomas Ambulance Service approached the city and stated that they were losing so much money that they needed help.

First, the city had to be sure it was legal to subsidize a private job. How can anyone be so far off?

Incidentally, anyone wishing to check the records in the City Hall.

In the beginning of the city ambulance service, an application for a grant was made to and approved by the State of Illinois.

This grant was for four ambulances—three for active service and one for a standby.

At the present time, the highest mileage on any one ambulance is 46,000 miles. All ambulances and equipment are certified every year by the Illinois Department of Public Health.

Daily the vehicles are inspected by the operating corps and maintenance is performed.

Do you know what Mr. Partyke says? Grace yourself. He said he was told the city's four ambulances, purchased four years ago, needed replacing.

Why all this? It seems that Mr. Daniel Partney, who has an interest in the Thomas Ambulance Service, has

been criticizing the city's ambulance service.

Constructive criticism is good, but when things are exaggerated, it's not true. I believe they should be answered.

In a statement to a local paper, Mr. Partney stated that the city ambulance lost over \$400,000 last year.

As chairman of the ambulance committee, I know this figure was wrong, wrong, wrong.

Off to the City Hall I went. Do you know what the audit shows for last year? Do you?

No?

I do not think Mr. Partney knows either. The financial record for last year for the city's ambulance service shows a \$39,980 surplus.

How could it be so far off? Incidentally, anyone wishing to check the records in the City Hall.

In the beginning of the city ambulance service, an application for a grant was made to and approved by the State of Illinois.

This grant was for four ambulances—three for active service and one for a standby.

At the present time, the highest mileage on any one ambulance is 46,000 miles. All ambulances and equipment are certified every year by the Illinois Department of Public Health.

★★ TO THE CITIZENS OF GRANITE CITY! ★★

HERE IS THE TRUTH ABOUT YOUR SEWAGE TREATMENT PLANT!

IS DAN PARTNEY "DELIBERATELY" TRYING "TO MISLEAD THE PUBLIC?"

Please Read This... And "MEASURE" The "TRUTHS" YOURSELVES...

DAN PARTNEY SAYS:

The Schuler Administration has allowed the number of employees at the Sewage Treatment Plant to increase from 17 to 34 employees, **WITHOUT REASON**, since 1972, while the number of users have declined.

THE TRUTH IS:

That since 1972, in order to meet the E.P.A.'s requirements as a regional "secondary" treatment facility, the plant has undergone a multi-million dollar expansion, which more than tripled the size, complexity, and capacity of the operation. The E.P.A. deems "satisfactory staffing" of a plant this size to be from 30-34 employees. We presently have 31 employees at the treatment plant, in strict accordance with the design engineer's suggestions, and E.P.A. REQUIREMENTS.

DAN PARTNEY SAYS:

In a paid political ad, illustrates that the largest payroll cost increases at the treatment plant occurred, "Interestingly... before, during and after the last Mayor's race in 1977."

THE TRUTH IS:

That Dan fails to mention, is the fact that these payroll increases were a direct result of the completion in 1976, and subsequent start-up of the new "secondary" addition to the plant.

DAN PARTNEY SAYS:

That we treat less sewage today (5.7 MGD), than in 1971 (6 MGD).

THE TRUTH IS:

That this is simply **NOT TRUE**. In 1972, the plant was shut down (sewage went directly to the river) for 70 days because we did not have the capability to treat sewage during high river stages. In 1972, we had **NO** stormwater treatment capabilities. When it stormed, we handled as much of the increased flow as we could, and let the rest go to the river, untreated. (you might remember some of the street flooding that occurred during this time, as a result of this practice). Since the new secondary plant was completed in 1976, we can operate 24 hours a day, 365 days a year, and have the capability of pumping and treating 250 million gallons of stormwater each day.

DAN PARTNEY BASES HIS OPINIONS ON A COMPARISON OF OUR TREATMENT PLANT WITH THE ALTON, ILLINOIS PLANT.

CONSIDER THE FOLLOWING FACTS:

PARAMETER	ALTON, ILLINOIS	GRANITE CITY
DESIGN FLOW:	10,500,000 G.P.D.	23,000,000 G.P.D.
1980 Flow:	4,500,000 G.P.D.	8,500,000 G.P.D.
Industrial Capacity:	None	8,500,000 G.P.D.
Current Industrial Load:	Zero	30% OF CURRENT CAPACITY (SURCHARGE)
1980 Industrial Revenue:	Zero	Approx. \$400,000 ⁰⁰
STORMWATER TREATMENT & PUMPING	Zero	250,000,000 G.P.D.
1975 E.P.A. MANDATED STAFFING:	10-12 Employees	30-34 Employees
Current Staffing:	11 Employees	31 Employees

DAN PARTNEY CONTINUOUSLY COMPARES OUR PRESENT OPERATING COSTS TO 1972 COSTS.

CONSIDER THE FOLLOWING FACTS:

	1972	1981
Type of Treatment:	Primary	Secondary
EFFICIENCY OF TREATMENT	50% REMOVAL OF SUSP. SOLIDS 35% REMOVAL OF BOD (Dissoluble Organic Matter)	Over 90% Removal of Both SS & BOD
Disinfection:	None	Chlorination
No. of Buildings:	5	11
No. of Treatment Tanks:	6	19
STORMWATER TREATMENT AND PUMPING:	Zero	250 M.G.D.
Sludge Dewatering:	2 Filters/60 Hrs./Week	3 Filters/120 Hrs./Week
Sludge Hauling	3 Dumps/48 Hrs./Week	3 Dumps, 1 Tractor (Mack) 3 Trailers/60 Hrs./Week

DAN PARTNEY ASKS:

"Are You Satisfied With Your Sewage Treatment Bill That Doubled?"

FACT:

At \$13.00 per quarter, your sewer user fee is very equitable. The average sewer use fee in the State of Illinois in 1978 was \$15.75/quarter. Consider the following table of treatment plants with design flows comparable to Granite City and their user fees.

CITY	DESIGN FLOW	USER FEE
Granite City	23 MGD	\$13.00/Quarter
Decatur	25 MGD	\$14.50/Quarter
N. Shore Ill.	17 MGD	Based On Property Tax (Now Illegal)
Aurora, Ill.	21 MGD	\$14.00/Quarter

DAN PARTNEY BLAMES DESIGN AND CONSTRUCTION DEFICIENCIES AT THE TREATMENT PLANT ON THE SCHULER ADMINISTRATION.

THE TRUTH IS:

That the design and construction specifications were approved before the Schuler administration took office.

The sewage treatment plant provides a very significant service for our community. Besides helping to maintain a clean and healthy environment for our citizens, the treatment plant attracts industry, prevents flooding, and will generate an increasing amount of revenue as more users tap-on in the future. Dan Partney's facts and figures on the treatment plant are **NOT CORRECT!!**

Paul Schuler recognizes the needs of the treatment plant and acts accordingly. 26 of 31 employees of the sewage treatment plant enthusiastically endorse and ask you to join us on April 7, 1981 to vote for and re-elect:

MAYOR PAUL SCHULER

PHAZER, a local rock group, will perform
with the nationally-known band East and
Strangers Saturday, April 11, at the Prairie
Capital Convention Center Music Hall in
Chicago. The group will perform only original
music during the show. Members of Phazer (for-
merly Fantasy) are Guy Browning on the bass and
vocal; Bob Coble, lead singer; Davey Lange on
lead guitar; Britt Justice on drums and vocal; and
Alan Johnson on rhythm guitar and vocal. The
group has been together for two years.

Religious concert April 15

The Concert Choral at
Southern Illinois University
at Edwardsville and
Leonard Van Camp, director
of choral activities at the
University, will present a
religious meditation in
music, Wednesday, April 15.
The service is scheduled for
the Dome Room of the
Religious Center at 11:30
a.m.
Assisting in the scriptural
commentary will be the six
campus ministers, including
the Rev. Stephen Weissman,
Episcopal; Ken Stewart,
Catholic; Larry Meinzen,
Lutheran; Joe Santee,
Baptist; James Wheeler,
United Methodist; and
Dickson Bell, United
Church of Christ.
The program of music will
include Antonin Dvorak's
Biblical Songs and Brahms'
"Lord, Make Me To Know
The Measure of My Days on
Earth."
The public is invited.

to Morris, Ill., to accept the
position of president of the
Grundy County Chamber of
Commerce and to help
organize other local
chambers in that area.

Dale Arnette, a member of
the Chamber board of
directors, will serve as in-
terim executive vice-
president of the local
Chamber while a search
committee attempts to find a
full-time replacement for
Livingston.

Livingston and his wife,
Janette, came here from
Pecos, Tex., in September,
1979. Prior to coming here,
he was involved in hotel and
management in
Nassau and the Bahamas for
the Sheraton Corp., and he
has been active in industrial
development, including
service as a mayor of
Windsor, Tex.

Livingston was in Morris,
Ill., last week, searching for
a new home and preparing
for his change of jobs.

According to the March 16, and March 23 issues of the
Press-Record, we read conflicting reports coming from the
treasurer's office, for example:

1. On March 16, the treasurer said this \$55,000 was now worth \$62,000. On
March 23, he said it was \$63,986.
2. On March 16, the treasurer said these funds were in a Certificate of
Deposit. On March 23, he said that they matured August 13, 1980, seven
months ago.
3. On March 16, the treasurer said these funds didn't show on reports as they
were not still invested. On March 23, he said they did appear on his reports and
they were not still invested.
4. On March 16, the treasurer said a check of the records indicated the
"whereabouts" of the money. On March 23, he changed the
"whereabouts."

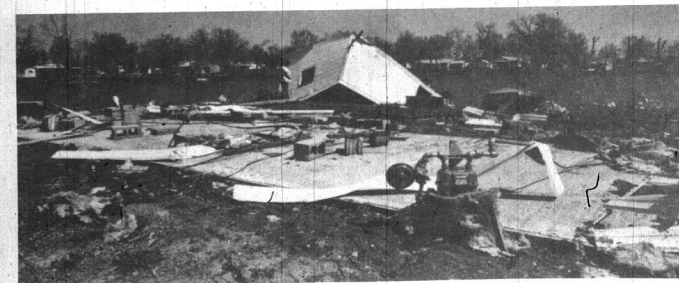

The following facts still exist, and the questions they bring up still
need to be answered.

1. The \$55,125 did not appear on the 1979 Treasurer's Annual Report. This is
a violation of city ordinance and state statute.
2. The \$55,125 and the interest earned did not appear on the 1980
Treasurer's Annual Report. This is a violation of city ordinance and state
statute.
3. Funds that matured on February 1, 1980, were held and not reinvested
until February 19, 1980, 7 days later. This is a violation of state statutes.
4. On August 13, 1980, the bank wrote check No. B62022 for \$60,378.07
payable to "Nick Petrillo", and as the bank stated on March 23, "certificates
are payable to whom they are issued." Therefore, we see that the
Certificates of Deposit wasn't issued to "Office of the Treasurer for the City of
Granite City."
5. The "chronological summary of events" had to come from the bank, and
did not even come from the treasurer's office.
6. According to the April 30, 1980 Treasurer's Annual Report, the treasurer
was \$32,849.66 overdrawn at the bank. At this time, he had a Certificate of
Deposit for \$60,378.07 that was "hidden" from the auditors. Someone's bills
weren't getting paid on time due to this type of money management.

The conclusion that I draw is this: We have experienced a loose and sloppy
handling of city finances; we have experienced a continual violation of city
ordinances and state statutes; we have experienced funds being "hidden"
from the city council. The question arises: Why have the mayor and the
aldermen allowed this situation to continue on for so long? The answer: I
don't know the answer... ask your alderman.

**WILLIAM HEBERT FOR TREASURER
FOR A BIG CHANGE**

Small tornado hits GC; Pontoon homes

SCENES OF THE DAMAGE. From top left, clockwise: Family members and friends of the William Seka family, 2328 Cardinal Ave., rummage through the remains of their home Saturday morning; Temporary roofs and walls were quickly constructed by neighbors and friends; The side and roof of the house at 2200 Cardinal Ave. was ripped away by the twister; a mobile home, the former Pontoon beach police station on Lake Drive, was torn from its underpinning, overturned and dumped into Long Lake with its occupant Jerry Mott Jr. inside. He had to break out a window to escape and swim to shore. The home of Dee Adams, 2411 Cardinal Ave., was one of several completely destroyed by the tornado which also touched down in the Steelcrest Subdivision, Pontoon Beach and later in Edwardsville.

Press-Record Photos by Pat Foley

McCambridge

(Continued from Page 1)

auto of Larry Wiegand, 26, of 909 Lee Ave., Madison, knocking Wiegand's auto into a parked car.

Moody was issued a ticket alleging an illegal left turn. Both drivers were taken by a Granite City ambulance to St. Elizabeth Medical Center where they were admitted. Moody suffered a deep cut to his tongue and Wiegand suffered a bump to his forehead, which struck the windshield.

Police noted that the curve, which negotiates an angle greater than 100

degrees has been the scene of numerous accidents in recent years, most involving injuries and several resulting in deaths.

Since the roadway is partially in the Madison city limits and partially in the county, Madison police respond to only a portion of the accidents. Others are handled by the state police and county sheriff's department.

However, one officer noted, Madison alone has responded to 48 accidents at the curb between January, 1979, and the

present, and he estimated that the county and state had responded to at least that many more.

Another problem is that all of the white and yellow lines on the state-maintained roadway have been worn off and the state has not repainted them; so motorists have difficulty determining where the center line is and where vehicles are prohibited, officers said.

Additional information on Mr. Fields appears in today's obituary column.

Health Fair '81 Thursday and Friday

St. Elizabeth medical Center is one of the 44 sites in "Health Fair '81" the week of April 6 through 12. The event is sponsored by Blue Cross, the St. Louis Chapter, American Red Cross and KSKK.

Debbie Hirschfelder, executive director of "Health Fair '81," said that the event is available to anyone 18 or over and is aimed at making individuals

more aware of their health through a series of basic tests, as well as counseling and referral information. Mrs. Hirschfelder, who holds A.B. and M.S. degrees in health and lay volunteers will staff each site. Basic tests for height, weight, blood pressure, visual acuity and anemia, as well as a counseling and referral, will be available at all sites. The screening tests are free and optional. For the blood chemistry test, however, there is a fee

of \$6, and fasting is required for eight hours before taking the test.

Rick Bargall and Gary Smith will coordinate the event at St. Elizabeth which will include blood chemistry, diabetes and lung capacity testing in addition to the basic tests. The event will take place Thursday and Friday from 11 a.m. to 7 p.m. here.

Letters to the Editor. . .

Motivated, able to solve problems

To the Editor:
I am writing this letter to the residents of the 6th Ward, as one last effort support for my son, Stephen C. Saltich, a candidate for alderman.

Having been a lifetime resident of Granite City for the past 65 years, I naturally want what is best for our city.

Stephen has always been his own person. He likes to hear all sides of an issue or

problem before reaching a decision as to how it can best be solved.

During the 39 years Stephen has lived in Granite City, he has always been a self-motivated and energetic person.

Not only has Stephen held various offices in local fraternal and civic organizations, but he also serves as an officer of the Credit Union and as shop

steward at American Steel Foundries, where he has been employed as a patternmaker for the past 15 years.

I am proud that Stephen is my son for the reasons I gave above, and more. I know you'll be proud that Stephen is your alderman in the 6th Ward for these same reasons.

STEVE SALTICH
2972 Washington Ave.

Bowler helpful to GC taxpayers

To the Editor:
I just came back from my assessment hearing and my assessment was reduced considerably.

If Alderman Bowler had not taken the time to show the people in the ward what they would be paying, I would have paid my increase, probably without protest.

Alderman Bowler kept the people of the seventh Ward informed, and he has always been supportive to his constituents.

Everyone who attended our ward property tax assessment meeting should be thankful for the time and effort Mr. Bowler spent giving us the information about our taxes.

We owe him a great deal, and the best way to thank him is by re-electing him on April 7.

As one taxpayer told me, Alderman Bowler has fought for us and stood up for us many times. It is time that we stand up for him.

AL and CONNIE CRUMBLEY

Much accomplished by Sprankle

To the Editor:
To all concerned residents in the 4th Ward, we would like to share our knowledge of your alderman's continued efforts to represent you.

He has been your alderman for six years. He now has the experience and needed skills to continue

doing the outstanding jobs he has performed.

Glen has accomplished what no other alderman in the 4th Ward has been able to do.

To continue Glen's efforts in force, and keep our ward abreast, we need to retain him in office.

We can only do this by the support of your votes for

him, as our alderman, in tomorrow's election.

Let's vote for the positive force. Vote for Glen Sprankle. He's the one in '81.

DARLENE STRUBBERG
GLORIA JENKINS

Candidate attends all meetings

To the Editor:

As a taxpayer and citizen of Granite City, I would like to express an opinion. I am sure it is shared by others.

I am tired of our hard-earned dollars going to pay aldermen who do not care enough about the welfare of our city or the residents of their ward to even attend council meetings on a regular basis, for which they

are paid to attend.

If it is unnecessary to be present at these meetings, then I say let's do away with them and save our tax dollars.

Sharon Perjak, who is a candidate for alderman of Ward 4 and is presently precinct committeeman — which, by the way, receives no pay — has faithfully attended council meetings.

ELVIS BYRD

Worried over rising assessments

To the Editor:

Von Dee Cruse's opponent for assessor has pledged that

she will re-evaluate each home owner's property every year.

With the market value of homes in our town increasing every year, it seems to me that this would cause an increase in each home's assessed value each year.

I believe that Von Dee

Cruse has tried to do a fair job for the taxpayers. I encourage all voters to hang on to a good and fair assessor.

PROGRESSIVE ACTION!

81 —

PAID FOR BY PROGRESSIVE ACTION PARTY — RICHARD KISMER, CHAIRMAN

A FAMILY TRADITION

Granite City, Illinois is an industrial community nestled in the great Mississippi Valley on the banks of the majestic Mississippi River in the heart of the nation.

No matter where you travel, or how far, there is a magnetic force that urges you to return. Oh yes, we have the problems familiar to most metropolitan areas, but on a much smaller scale. Our people still have compassion for each other, although, as in any family we have our moments of dissent. You will note that I consider our citizenry as our family. I have lived in Granite City all my life, my son was born here, I know most of our people, and they know me.

However, my family history in the area goes back even before my advent on the scene. My Great-Grandfather arrived in this community as a house painter at the time when the Niedringhaus family first began building houses for their employees, and so, he painted some of the very first homes built here. He fell in love with the community, and its people, and never left.

A Great Uncle, V. Dickey, served as an alderman in the early 1900's, and my father served as an alderman and Mayor of Granite City for 26 years. My father firmly believed that if you were in a community you should try to understand it and carry your share, or more, of the responsibilities. And so, at the tender age of about twelve, I can remember my father taking me with him to the City Council meetings. You might say this was the start of my interest in City Government. He never let me forget that I owed something to the people of Granite City who had given of themselves before me that we might have a nice community. At the same time, he instilled in me the fact that we, of the present, have an equal obligation to those who are yet to come. If my father was still alive today, I'm sure he would ask me, "Are you doing all you can for the people of Granite City?" My answer to this would have to be, "I am doing all I can in the most honest way I know how." I guess you could say that the people of Granite City seem like my very own family in reality and not just in words.

There was a time, during the great depression, when our community was one of the hardest hit in the entire nation. My father always told me that the sight of those gaunt faces and broken spirits always haunted him. My father, as an alderman and mayor, for nearly a quarter of a century, kept reminding our people to not over-extend themselves. Watch the budget, make your dollars count, grow but build on a solid economical foundation, and above all, be honest with each other.

What then might we expect? Our geographical location, natural resources, labor force and transportation systems spotlight us as being in a position that might be envied by any community on the globe. We are the hub of the nation, we are the melting pot of the nation. Our heritage boasts of the finest talents to be found anywhere on earth. Our people have known what it is to be down, but never counted out. We came back even stronger than before, because we pulled together as one. Through every cloud we see a silver lining and our limitations are as boundless as the horizon.

As Mayor of Granite City, my beliefs will always govern my decisions to make our city a place we can be proud of to turn over to the next generation. This I truly believe.

Sincerely,

Dan Partney

PAID FOR BY THE COMMITTEE TO ELECT DAN PARTNEY — EUGENE AIASSI, CHAIRMAN

Opposes annual reassessing idea

To the Editor:

Mr. Cruse's opponent for township assessor has pledged to reassess township property annually. This has been touted as a big plus, but for who? Certainly not the individual property owner.

Property values for homes are increasing at about a seven percent annual rate. If she were to be elected and keep her pledge, the assessed valuation of each

piece of property at the end of her four-year term might be 31 percent more than what it is today.

I wonder if the individual home owner can afford her and her methods as township assessor? I think not.

Let us keep a good assessor who tries to be fair to the individual property owner within the demands of the law. Let us vote to keep Von Dee Cruse as assessor.

DARLENE LAUB

Is candidate too busy?

To the Editor:

In addition to being a candidate for 6th Ward alderman, Stephen Saltich holds a full-time job, is a

member of an organization, and is president of the School Board.

Although I must commend him for his service to the school district, I must ask Mr. Saltich if he really feels he can adequately represent the citizens of the 6th Ward.

It seems that he now has plenty of activity to fill his spare time without the added burden of aldermanic duties. This is something for the 6th Ward voters to consider on April 7.

6TH WARD RESIDENT

HEARING APRIL 8

A public hearing will be held Wednesday at 6:30 p.m. by the Madison County Community Development office in the courthouse at Edwardsville to obtain citizen approval of its community fund application and its housing assistance plan. The public is invited, an official said.

Something NEW from South-Western Cable TV

SOUTH-WESTERN CABLE-TV is proud to announce the addition of **THE CABLE NEWS NETWORK. . . NOW ON CHANNEL 13**

THE NEWS CHANNEL

WORLD NEWS LIKE IT'S NEVER BEEN SEEN BEFORE

Live, 24 hours a day. A world of information, analysis and opinion conventional networks simply haven't time to explore.

News from our foreign bureaus. News from key American cities. Special reports on health, science, medicine, consumer affairs, the arts. News about women. Sports news. Financial news. News with different views.

All covered by professionals who know their business. Among them: Emmy-award winner Daniel Schorr, Barry Goldwater, Ralph Nader, Dan Dorfman, Bella Abzug, Dr. Joyce Brothers.

News day and night. Regularly scheduled. Immediate. Involving. And news as it happens. In process. Unpackaged. News, in fact, 24 hours a day.

Television news like never before. Presented by Turner Broadcasting.

An ambitious young man (Mark Harmon) joins forces with an optimistic nickelodeon operator (Vincent Gardenia) to construct one of the earliest dynasties in the motion picture industry. (Part 1)

Points On Pets

Digging dog may just be bored

By H.P. JANS
D.V.M.

Q. My neighbor has a young German shepherd dog. It digs holes in the yard and my neighbor has tried everything he can think of to break this habit.

Could you please help him. He needs the dog for protection of his property. Thank you. — G.F., Torrance, Calif.

success. Good luck.

Q. Would you please tell me why a cat will use the litter box and then also wet on anything that is made of cloth. He has used the bed, clothing, rug. — E.P.H., San Benito, Texas

A. I do not know the specific answer, but there are two important recommendations I would make.

First, keep the litter box scrupulously clean.

Second, have your pet's doctor do a complete physical examination, including CBC, blood chemistries, radiographs and urinalysis. If there are physical causes, these are usually amenable to change.

Otherwise, you are dealing with a bad habit.

I would encourage you to have your friend's pet given a thorough physical exam prior to any training. After this there are several training approaches that can be tried. The methods are far too numerous to discuss here. I would suggest referring to a few books on training or to seek professional training assistance.

This type of problem is not cured overnight. Rather it requires a great deal of time and patience to achieve

Craddock prefers to 'crash' in person

By ROBIN WELLES
HOLLYWOOD — From Loretta Lynn to Billy "Crash" Craddock, it seems that many of the country singers come from dirt-poor backgrounds.

Craddock was one of 13 children of a textile mill worker and times were so tough that three of the children died in infancy — and his mother died when Billy was just 16.

"My mother never heard me sing professionally," says Craddock, "but she taught me how to live, and love, and laugh."

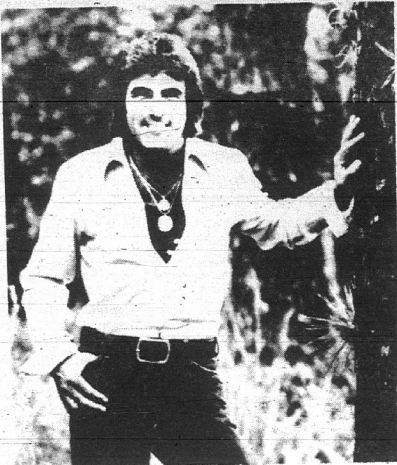

Craddock has built up a huge following with a charismatic stage presence and a vocal range that covers not only country ballads and honky-tonk but also dips occasionally into semi-hard rock.

He readily admits that he would rather appear live in front of an audience than make recordings (his latest album for EMI-Capitol is just out).

"Nothing beats live performances," he says. "When you're on stage trying to communicate to people it can be the most satisfying thing in music."

That "Crash" nickname, by the way, stems from his school days as a running back.

JIMMY BUFFET - Coconut Telegraph (MCA) — Could it be that Buffet is becoming a bit sedate now that he is a father? Not to worry

— his latest LP carries on the Buffet tradition of light and airy songs that whip along like a good boat in the breeze. But he does admit on one song: "I'm Growing Older, But Not Up."

DON McLEAN - Chain Lightning (Millennium-RCA) — McLean is a songwriter of note ("And I Love You So") but he also is a class singer, and that is what is emphasized on this very pleasant album. The material ranges from Hank Williams' "Your Cheating Heart" to Roy Orbison's "Crying." The latter is getting top play around the country.

ROCKET 88 (Atlantic) — If boogie-woogie is your thing, grab this LP fast. It's a blazer. Ian Stewart, George Green and Bob Hall share the piano work on classics like Pete Johnson's "Rocket 88" and "Roadhouse Boogie." Also featured are Colin Smith on trumpet and Hal "Cornbread" Singer and Don Weller on tenor sax.

NAZARETH - The Fool Circle (A and M) — This Scottish rock quartet has sold 15 million albums in 11 years and will sell more with this one. A highly energized outfit, Nazareth nevertheless shys from the heavy metal noise that afflicts some other groups. Lyrics on this LP are heavily

laden with the unease of a world drifting toward war.

SOUNDTRACKS — Having come across a good thing, the record companies are rolling soundtracks off the assembly line. Latest are Lalo Schiffrin's score for "The Competition" (MCA), Ken Lauber's "Kent State" soundtrack which features Grace Slick, Richie Havens and John Sebastian (RCA), and Lee Holdridge's score for John Steinbeck's "East of Eden," the TV mini-series (Elektra-Asylum).

B.B. KING - There Must Be a Better World Somewhere (MCA) — Celebrated blues singer is in top form with these six songs. Hank Crawford and "Fathead" Newman join King with some memorable sax solos. Waymon Reed and Charlie Miller chip in on trumpet.

ACT ADOPTED — The Interstate Commerce Act was adopted on Feb. 4, 1887, to fill the need for regulation of the railroads after the Supreme Court had found state regulations unconstitutional.

USO FORMED — Six national organizations formed the United Service Organizations on Fe. 4, 1941, to meet the needs of servicemen and defense workers.

Hollywood Hotline

Another fan for Burt

By NANCY ANDERSON
HOLLYWOOD — Everywhere you go, you run into Burt Reynolds fans.

And not all of them are girls who've gone ga-ga.

Robby Benson, himself a star, has known and worked with so many stars that he can keep his cool in company with the most dazzling.

But Robby, despite this background, salutes Burt as somebody special.

Since he'd worked with one of the nicest and most honored of actors, Jack Lemmon, in "Tribute," Robby had been asked whether he'd been nervous around his acclaimed costar.

And that's what brought up his enthusiasm for Reynolds. Not that he doesn't think the world of Lemmon too.

"Professionally, I've never been in awe of anybody," said Robby, "because I've been acting since I was a baby and have learned that actors are the same as anybody else."

"What makes me feel awe for a person is ...

"Well, I have a friend, Burt Reynolds, who's like a brother to me, and what makes me feel awe for someone like that isn't his success but the fact that ... I hate to sound corny ... but he makes it a point to be such a good person."

"And Jack (Lemmon) is that way, too."

"Burt Reynolds is one of the best human beings I've ever met, the nicest guy anywhere."

"I just think he has a nature that's very rare in anyone, whether he's a businessman or a janitor or an actor."

Robby paused briefly, then threw in, "And the same goes for Jack."

"I've seen how difficult it is to be where they are, and I've seen how difficult other people make it. When you know the problems and then see how Burt and Jack han-

dle them, that fills me with awe."

"Not their professional work, but what they are off the set."

Robby whose problems or blessings (depending upon point of view) include a following of panting adolescents, does his best to cope in a generous and dignified way.

"I don't discriminate against anybody just because she's a little kid," he said, pondering his bubble-gum coterie. "But sometimes, if I'm feeling sick or am preoccupied, every once in awhile it gets a little complicated."

"But, still, it's worth it. I care about people, and they seem to care about me. I've got good fans."

The first time I met Debbie Reynolds, she'd been in a haystack with Glenn Ford (or somebody), she was taking a bath to wash away the chaff and was wondering what to do about Eddie Fisher.

She'd been in the haystack for a scene in a movie.

She was wondering what to do about Eddie because of the scene he was making with Elizabeth Taylor.

Frankly, at its beginning, the interview made me fidgety. I was nervous about interviewing an actress in her bath, especially one whose husband was making a scene with the Widow Todd.

After all, my mother had always told me not to ask personal questions.

However, Debbie promptly put me at ease through her calm candor. A credit to the old studio contract system under which she was introduced to movie making, she was a thorough professional who realized that I'd been hired to ask questions and that her fans, to whom she owed her status, wanted some answers.

The one question she couldn't answer at that

moment was whether or not she was going to file for divorce, but a couple of nights later, while I was washing dinner dishes, the phone rang.

When I answered, a woman caller identified herself as Debbie Reynolds' mother and said Debbie had asked her to call me to say that, yes, she was going to get a divorce.

I appreciated the information and appreciated Debbie's understanding of the press and its problems.

She's been equally professional and done me other favors at other times, most recently when she telephoned to answer questions about her new television series, "Aloha Paradise," for ABC.

Since, in the series, Debbie plays the hostess at a posh resort, she's been facetiously called a Ricardo Montalban in drag.

Reynolds takes the charge with good humor but denies its validity.

"We're not like 'Fantasy Island,'" she said. "We're more like 'Love Boat.' Our series is aimed at the family. It reminds me of the song 'That's Entertainment.'"

She'd been offered a Broadway play, Debbie said, but turned it down in favor of "Aloha Paradise," because "this would reach more people."

Young people, she insisted, don't know who she is, but through television, she hopes they'll find out.

It's hard to believe there's anybody alive in America more than 4 years old who isn't aware of Debbie Reynolds' talents and life story, but she reiterated, a whole generation exists who never saw "Tammy" or "Singing in the Rain," who don't remember when Eddie Fisher was the Coca-Cola Kid and who never even heard of Harry Karl.
